In the event any Bond Owner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may impose a charge against such Bond Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Bond Owner hereunder or under the 2013 Bonds.

(f) The Trustee shall not be required to (i) transfer or exchange any 2013 Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of such 2013 Bond and ending at the close of business on the day of such mailing, or (ii) transfer or exchange any 2013 Bond so selected for redemption in whole or in part, or during a period beginning at the opening of business on any Record Date for such 2013 Bond and ending at the close of business on the relevant Interest Payment Date therefor.

(g) The Person in whose name any 2013 Bond shall be registered on the Bond Register shall be deemed and regarded as the absolute owner of such 2013 Bond for all purposes, and payment of or on account of the principal of and redemption premium, if any, and interest on any such 2013 Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such 2013 Bond, including the interest thereon, to the extent of the sum or sums so paid.

(h) At reasonable times upon prior Written Request and under reasonable regulations established by the Trustee, the Bond Register may be inspected and copied by the Commission or by the owners (or a designated representative thereof) of 10% or more in principal amount of 2013 Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

### **3.4 Mutilated, Lost, Stolen or Destroyed 2013 Bonds.**

In the event any 2013 Bond shall become mutilated, or be lost, stolen or destroyed, the Commission shall execute and the Trustee shall authenticate and deliver a new 2013 Bond of like series or subseries, date and tenor as the 2013 Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated 2013 Bond, such mutilated 2013 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed 2013 Bond, there shall be first furnished to the Commission and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together, in either such case, with such security or indemnity as may be required by the Commission and the Trustee to save the Commission and the Trustee harmless. In the event any such 2013 Bond shall have matured or been selected for redemption, the Trustee in its discretion may, instead of issuing a new 2013 Bond, pay, with funds available under this Sixth Supplemental Indenture for such purpose, such 2013 Bond without surrender thereof (except in the case of a mutilated 2013 Bond). Upon the issuance of any substitute 2013 Bond, the Commission and the Trustee may require the payment of an amount by the Bond Owner sufficient to reimburse the Commission and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

### **3.5 Cancellation and Destruction of 2013 Bonds Upon Payment.**

All 2013 Bonds which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Sixth Supplemental Indenture, either at or before maturity, shall be canceled and destroyed by the Trustee in compliance with all applicable laws and regulations and the record retention requirements of the Trustee upon the payment, redemption or purchase of such 2013 Bonds and the surrender thereof to the Trustee. The Trustee shall execute a certificate in triplicate describing the 2013 Bonds so canceled and destroyed, and shall file executed counterparts of such certificate with the Commission.

## **ARTICLE 4 BOOK-ENTRY; SECURITIES DEPOSITORY**

### **4.1 Securities Depository.**

The 2013 Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the 2013 Bonds, except in the event the Trustee issues Replacement Bonds as provided in Section 4.2. It is anticipated that during the term of the 2013 Bonds, the Securities Depository will make book-entry transfers among the Participants and receive and transmit payment of principal, premium, if any, and interest on, the 2013 Bonds to the Participants until and unless the Trustee authenticates and delivers Replacement Bonds to the Beneficial Owners as described in Section 4.2.

The 2013 Bonds shall be initially issued in the form of a separate single fully registered 2013 Bonds, authenticated by the Authenticating Agent, in the amount of each separately stated maturity of each Series of the 2013 Bonds. Upon initial issuance, the ownership of such 2013 Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of the Securities Depository. The Trustee, the Paying Agent and the Commission shall treat the Securities Depository (or its nominee) as the sole and exclusive owner of the 2013 Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the 2013 Bonds, selecting the 2013 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to holders under the Indenture, registering the transfer of 2013 Bonds, obtaining any consent or other action to be taken by holders and for all other purposes whatsoever, and neither the Trustee, the Paying Agent nor the

Commission shall be affected by any notice to the contrary. Neither the Trustee, the Paying Agent nor the Commission shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the 2013 Bonds under or through the Securities Depository or any Participant, or any other Person which is not shown on the Bond Register as being a 2013 Bond holder, with respect to: (i) the accuracy of any records maintained by the Securities Depository or any Participant; (ii) the payment by the Securities Depository or any Participant of any amount in respect of the principal or redemption price of or interest on the 2013 Bonds; (iii) any notice which is permitted or required to be given to holders under the Indenture; (iv) the selection by the Securities Depository or any Participant of any Person to receive payment in the event of a partial redemption of the 2013 Bonds; or (v) any consent given or other action taken by the Securities Depository as holder of the 2013 Bonds. The Paying Agent shall pay all principal of and premium, if any, and interest on the 2013 Bonds only to or upon the order of the Securities Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Commission's obligations with respect to the principal of and premium, if any, and interest on the 2013 Bonds to the extent of the sum or sums so paid. Except as provided in Section 4.2 hereof, no Person other than the Securities Depository shall receive an authenticated 2013 Bond evidencing the obligation of the Commission to make payments of principal of and premium, if any, and interest pursuant to the Indenture. Upon delivery by the Securities Depository to the Trustee and the Paying Agent of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to Record Dates, the name "Cede & Co." herein shall be deemed to be changed to reflect such new nominee of the Securities Depository.

In connection with any notice or other communication to be provided to 2013 Bond holders pursuant to the Indenture by the Commission or the Paying Agent with respect to any consent or other action to be taken by 2013 Bond holders, the Commission or the Trustee, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository as sole 2013 Bond holder notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to the Securities Depository shall be given only when the Securities Depository is the sole 2013 Bond holder.

#### **4.2 Termination.**

(a) If the Commission determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or (C) that the continuation of a book-entry system to the exclusion of any 2013 Bonds being issued to any Bond Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the 2013 Bonds, then the Trustee, based on information provided to it in writing by the Securities Depository, shall notify the Beneficial Owners of the 2013 Bonds of such determination and of the availability of certificates to Beneficial Owners of the 2013 Bonds requesting the same, and the Trustee shall register in the name of and authenticate and deliver 2013 Bonds (the "Replacement Bonds") to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (A) or (B) of this Section 4.2, the Commission, with the consent of the Trustee, may select a successor Securities Depository in accordance with subsection (b) to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its nominee is the registered owner of at least one 2013 Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Bonds. Any additional fees and expenses of the Trustee or the Bond Registrar related to the discontinuance of the book-entry system, for any reason, shall become Administrative Expenses

chargeable to the Commission. If the Securities Depository resigns and the Trustee or the Commission are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of Replacement Bonds to the Commission, as provided herein. The Trustee may conclusively rely on and shall be protected in acting in accordance with information from the Securities Depository and its Participants as to the names, addresses, taxpayer identification numbers of and principal amount held by the Beneficial Owners of the 2013 Bonds. The cost of printing Replacement Bonds shall be paid for by the Commission.

(b) In the event the Securities Depository resigns or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act, the Commission may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a 2013 Bond or 2013 Bonds for cancellation shall cause the delivery of 2013 Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

**6.1 Establishment of 2013 Account of the Clearing Fund.**

There is hereby established with the Trustee a fund to be designated the “2013 Account of the Clearing Fund” (the “2013 Clearing Fund”). All of the net proceeds of the 2013 Bonds shall be deposited by the Trustee into the 2013 Clearing Fund. Any moneys remaining in the 2013 Clearing Fund as of 30 days after the date of issuance of the 2013 Bonds (the “Clearing Fund Balance”) shall be transferred as follows: 47% of the Clearing Fund Balance shall be transferred to the 2013 Account of the Senior Bonds Debt Service Fund; and 53% shall be transferred to the 2013 Account of the Subordinated Bonds Debt Service Fund.

**6.2 Senior Bonds Debt Service Fund and Senior Bonds Sinking Fund.**

(a) The Original Indenture, as amended, created a special fund designated the “Senior Bonds Debt Service Fund” and three separate accounts in the Senior Bonds Debt Service Fund known as the “Interest Account,” the “Principal Account” and the “Insured Swap Payment Account.” All moneys held by the Trustee in the Senior Bonds Debt Service Fund shall be applied in accordance with Section 503 and the other provisions of the Original Indenture, as supplemented, and this Sixth Supplemental Indenture:

(b) The Trustee shall withdraw from the Revenue Fund and deposit to the applicable account in the Senior Bonds Debt Service Fund, together with other amounts specified in the Indenture for Senior Bonds, the amounts hereinafter specified which shall be applied by the Trustee for the purposes for which the same shall be deposited:

(i) On or before the last Business Day of each calendar month, an amount which equals the amount necessary to pay, and for the purpose of paying, one-sixth (1/6) of the interest due on the 2013A Bonds on the next succeeding Interest Payment Date (or, in the case of the period from the date of issuance of the any 2013A Bonds to the first Interest Payment Date for the 2013A Bonds, a monthly amount equal to the interest amount owed on such first Interest Payment Date divided by the number of months from the date of issuance of the 2013A Bonds to such first Interest Payment Date), which amount shall be deposited in the Interest Account;

(ii) On or before the last Business Day of each calendar month, an amount which equals one-twelfth (1/12) of the amount necessary to pay (or, in the case of the period from the date of issuance of the 2013A Bonds to, the first date on which principal is due on the 2013A Bonds, an amount equal to the principal amount owed on such first principal maturity date divided by the number of months from the date of issuance of the 2013A Bond to such first principal maturity date), and for the

purpose of paying, the principal amount of any 2013A Bonds maturing on the next succeeding maturity date, which amount shall be deposited in the Principal Account; provided, however, that no deposit shall be made pursuant to this clause (ii) on any date which would duplicate deposits that are required to be made to the Senior Bonds Sinking Fund pursuant to the Original Indenture, as supplemented, other than by this Sixth Supplemental Indenture.

(c) There is hereby established and created the “2013A Sinking Fund Account” of the Senior Bonds Sinking Fund which shall be held in trust by the Trustee until applied as hereinafter directed. Contemporaneously with, and on the same order of priority as, making the deposits provided for in Section 503 of the Original Indenture, as supplemented, and while any 2013A Bonds are Outstanding, the Trustee shall transfer on or before the last Business Day of each calendar month from the Revenue Fund to the 2013A Bonds Sinking Fund Account one-twelfth (1/12) of the principal amount required on the next succeeding mandatory redemption date as specified in the 2013A Bonds occurring on or before the second Interest Payment Date following such deposit (or such lesser amount which, when added to the principal amount of 2013A Bond purchased by the Trustee during the Fiscal Year pursuant to the succeeding and the second succeeding paragraph, shall equal the above amount); and provided that if any 2013A Bonds which are subject to mandatory redemption are at any time redeemed pursuant to an optional redemption, as described in the 2013A Bonds, the principal amount of 2013A Bonds so redeemed may be applied as a credit against the principal amount of 2013A Bonds which are subject to mandatory redemption at such times as the Commission shall direct in writing.

The moneys at any time on deposit to the credit of the 2013A Bonds Sinking Fund Account or to be deposited thereto from the Revenue Fund may be applied by the Commission to the purchase of 2013A Bonds to be called for mandatory redemption from the 2013A Bonds Sinking Fund Account and such moneys shall be withdrawn by the Trustee and applied to the payment of the purchase price of 2013A Bonds which the Commission may agree to purchase or has paid, provided that such purchase price is not in excess of 100% of the principal amount thereof. At any time that the Trustee shall be requested to apply such moneys to the purchase of 2013A Bonds, the Commission shall furnish to the Trustee a Commission Official’s certificate specifying the 2013A Bonds or portions thereof which it has agreed to purchase, the purchase price thereof, the names of the sellers (if not the Commission) and the expenses involved in connection with such purchase. At the time of any purchase of the 2013A Bonds, the Trustee shall withdraw from the Interest Account of the Debt Service Fund any amounts deposited therein for the payment of interest on the 2013A Bonds so purchased.

On or before October 1 of each year in which transfers are required to be made to the 2013A Bonds Sinking Fund Account, the Trustee shall select and call for redemption on the next succeeding December 1 such principal amount of 2013A Bonds as shall be sufficient when added to the principal amount of 2013A Bonds which the Trustee has purchased or agreed to purchase on said next succeeding December 1, according to the provisions of the preceding paragraph, to satisfy the mandatory redemption schedule set forth in the form of the 2013A Bonds on December 1. The notice of redemption of any such principal amount of 2013A Bonds being redeemed pursuant to this Section shall be given by the Trustee in the name of the Commission in accordance with the provisions of this Sixth Supplemental Indenture, and shall state that such principal amount of 2013A Bonds will be redeemed pursuant to the operation of the 2013A Bonds Sinking Fund Account. If on December 2 of any Fiscal Year there shall be any moneys in the 2013A Bonds Sinking Fund Account, such moneys shall be transferred to the Principal Account in the Senior Bonds Debt Service Fund to be applied to the payment of principal of the 2013A Bonds and the amount subsequently required to be deposited to the credit of the Principal Account in the Senior Bonds Debt Service Fund pursuant to clause (2) of the Section 503 of the Original Indenture, as supplemented, and Section 6.2(b) hereof, shall be reduced to the extent of the moneys so transferred. If such moneys shall be in excess of the amount subsequently required to be deposited in the Principal Account of the Senior Bonds Debt Service Fund, such excess shall be transferred to the Revenue Fund. If

on October 1 of any year the moneys in the 2013A Bonds Sinking Fund Account shall be sufficient to effect the redemption of all 2013A Bonds Outstanding on the next succeeding December 1, or at any such time as there shall not be any 2013A Bonds Outstanding, any moneys in the 2013A Bonds Sinking Fund Account in excess of the amount required for such redemption or all such moneys, as the case may be, shall be transferred to the Revenue Fund, and thereafter no further transfers shall be required to be made from the Revenue Fund to the 2013A Bonds Sinking Fund Account, and the interest due on the 2013A Bonds maturing on the redemption date shall be paid from moneys in the Interest Account in the Senior Debt Bonds Service Fund.

### **6.3 Subordinated Bonds Debt Service Fund and Subordinated Bonds Sinking Fund.**

(a) The Original Indenture created a special fund designated the “Subordinated Bonds Debt Service Fund.” All moneys held by the Trustee in the Subordinated Bonds Debt Service Fund shall be applied in accordance with Section 505 and the other provisions of the Original Indenture and this Sixth Supplemental Indenture.

(b) After having made the deposits provided in Section 503 and 504 of the Original Indenture, as supplemented, and Section 6.2 hereof and while any Subordinated Bonds are outstanding, the Trustee shall withdraw from the Revenue Fund and deposit to the applicable Account in the Subordinated Bonds Debt Service Fund, together with other amounts specified in the Indenture for Subordinated Bonds, the amounts hereinafter specified which shall be applied by the Trustee for the purposes for which the same shall be deposited:

(i) On or before the last Business Day of each calendar month, an amount which equals the amount necessary to pay, and for the purpose of paying, one-sixth (1/6) of the interest due on the 2013B Bonds on the next succeeding Interest Payment Date (or, in the case of the period from the date of issuance of the 2013B Bonds to the first Interest Payment Date for the 2013B Bonds, an amount equal to the interest amount owed on such first Interest Payment Date divided by the number of months from the date of issuance of the 2013B Bonds to such first Interest Payment Date), which amount shall be deposited in the Interest Account; and

(ii) On or before the last Business Day of each calendar month, an amount which equals one-twelfth (1/12) of the amount necessary to pay (or, in the case of the period from the date of issuance of the 2013B Bonds to the first date on which principal is due on the 2013B Bonds, a monthly amount equal to the principal amount owed on such first principal maturity date divided by the number of months from the date of issuance of the 2013B Bonds to such first principal maturity date), and for the purpose of paying, the principal amount of any 2013B Bonds maturing on the next succeeding maturity date following such deposit, which amount shall be deposited in the Principal Account; provided, however, that no deposit shall be made pursuant to this clause (ii) on any date which would duplicate deposits that are required to be made to the Subordinated Bonds Sinking Fund pursuant to the Original Indenture, as supplemented, other than by this Sixth Supplemental Indenture.

(c) There is hereby established and created the “2013B Subordinated Bonds Sinking Fund Account” which shall be held in trust by the Trustee until applied as hereinafter. After first having made the deposits provided for in Section 503 and 504 of the Original Indenture, as supplemented, and Section 6.2 hereof and contemporaneously with making the deposits provided in Section 505 of the Original Indenture, as supplemented, and Section 6.3(a) and (b) hereof, and while any 2013B Bonds are

Outstanding, the Trustee shall transfer on or before the last Business Day of each calendar month from the Revenue Fund to the 2013B Subordinated Bonds Sinking Fund Account one-twelfth (1/12) of the principal amount required on the next succeeding mandatory redemption date as specified in the 2013B Bonds occurring on or before the second Interest Payment Date following such deposit (or such lesser amount which, when added to the principal amount of 2013B Bonds purchased by the Trustee during the Fiscal Year pursuant to the succeeding and the second succeeding paragraph, shall equal the above amount); and provided that if any 2013B Bonds which are subject to mandatory redemption are at any time redeemed pursuant to an optional redemption, as described in 2013B Bonds, the principal amount of 2013B Bonds of each maturity so redeemed may be applied as a credit against the principal amount of 2013B Bonds of such maturity which is subject to mandatory redemption at such time as the Commission shall direct in writing.

The moneys at any time on deposit to the credit of the 2013B Subordinated Bonds Sinking Fund Account or to be deposited thereto from the Revenue Fund may be applied by the Commission to the purchase of the 2013B Bonds of the same maturity of 2013B Bonds to be called for mandatory redemption from the 2013B Subordinated Bonds Sinking Fund Account and such moneys shall be withdrawn by the Trustee and applied to the payment of the purchase price of 2013B Bonds which the Commission may agree to purchase or has paid, provided that such purchase price is not in excess of 100% of the principal amount thereof. At any time that the Trustee shall be requested to apply such moneys to the purchase of 2013B Bonds, the Commission shall furnish to the Trustee a Commission Officials' certificate specifying the 2013B Bonds or portions thereof which it has agreed to purchase, the purchase price thereof, the names of the sellers (if not the Commission) and the expenses involved in connection with such purchase. At the time of any purchase of the 2013B Bonds, the Trustee shall withdraw from the Interest Account of the Debt Service Fund any amounts deposited therein for the payment of interest on the 2013B Bonds so purchased. Any 2013B Bonds purchased under the terms hereof in lieu of redemption by the Commission shall be cancelled by the Trustee and no longer remain Outstanding.

On or before October 1 of each year in which transfers are required to be made to the 2013B Subordinated Bonds Sinking Fund Account, the Trustee shall select and call for redemption on the next succeeding December 1 such principal amount of 2013B Bonds as shall be sufficient when added to the principal amount of the 2013B Bonds which the Trustee has purchased or agreed to purchase on said next succeeding December 1, according to the provisions of the preceding paragraph, to satisfy the mandatory redemption schedule set forth in the form of the 2013B Bonds on said December 1. The notice of redemption of any such principal amount of 2013B Bonds being redeemed pursuant to this Section shall be given by the Trustee in the name of the Commission in accordance with the provisions of this Sixth Supplemental Indenture, and shall state that such principal amount of 2013B Bonds will be redeemed pursuant to the operation of the 2013B Subordinated Bonds Sinking Fund Account. If on December 2 of any Fiscal Year there shall be any moneys in the 2013B Subordinated Bonds Sinking Fund Account, such moneys shall be transferred to the Principal Account in the Subordinated Bonds Debt Service Fund to be applied to the payment of principal of the 2013B Bonds, and the amount subsequently required to be deposited to the credit of the Principal Account in the Subordinated Bonds Debt Service Fund pursuant to clause (5) of Section 505 of the Original Indenture, as supplemented, and Section 6.3(b) hereof shall be reduced to the extent of the moneys so transferred. If such moneys shall be in excess of the amount subsequently required to be so deposited in the Principal Account of the Subordinated Bonds Debt Service Fund, such excess shall be transferred to the Revenue Fund. If on October 1 of any year the moneys in the 2013B Subordinated Bonds Sinking Fund Account shall be sufficient to effect the redemption of all 2013B Bonds Outstanding on the next succeeding December 1, or at such time as there shall not be any 2013B Bonds Outstanding, any moneys in the 2013B Subordinated Bonds Sinking Fund Account in excess of the amount required for such redemption of all 2013B Bonds outstanding on the next succeeding December 1, or at such time as there shall not be any 2013B Bonds outstanding, any

moneys in the 2013B Subordinated Bonds Sinking Fund Account in excess of the amount required for such redemption or all such moneys, as the case may be, shall be transferred to the Revenue Fund, and thereafter no further transfers shall be required to be made from the Revenue Fund to the 2013B Subordinated Bonds Sinking Fund Account, and the interest due on the 2013B Bonds maturing on the redemption date shall be paid from moneys in the Interest Account in the Subordinated Bonds Debt Service Fund.

(d) The Trustee shall establish a separate account in the Subordinated Bonds Debt Service Fund to hold the proceeds of the 2013B Bonds deposited pursuant to Section 6.1(a) hereof for the refunding of the Subordinated Refunded Bonds.

(a) 2013 Bonds shall be redeemed only in Authorized Denominations. If less than all 2013 Bonds of a Series are to be redeemed and paid prior to maturity, 2013 Bonds of such Series shall be selected by the Trustee as set forth in the Original Indenture.

(b) In the case of a partial redemption of 2013 Bonds when 2013 Bonds of a series of denominations greater than the minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each principal amount equal to the minimum Authorized Denomination shall be treated as though it was a separate 2013 Bond of the minimum Authorized Denomination. If it is determined that a portion, but not all, of the principal amount represented by any 2013 Bond is to be selected for redemption, then upon notice of intention to redeem such portion, the owner of such 2013 Bond or such owner's attorney or legal representative shall forthwith present and surrender such 2013 Bond to the Trustee (1) for payment of the redemption price (including the premium, if any, and interest to the date fixed for redemption) of the principal amount called for redemption, and (2) for exchange, without charge to the owner thereof for a new 2013 Bond or 2013 Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such 2013 Bond. If the owner of any such 2013 Bond shall fail to present such 2013 Bond to the Trustee for payment and exchange as aforesaid, said 2013 Bond shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

(c) The Trustee shall call 2013 Bonds for redemption and payment as herein provided upon receipt by the Trustee at least 45 days (or such shorter period as the Trustee may agree) prior to the redemption date of a Written Request of the Commission.

#### **7.4 Notice and Effect of Call for Redemption.**

Official notice of any such redemption shall be given by the Paying Agent or Trustee on behalf of the Commission by mailing a copy of an official redemption notice by first class mail at least 30 days and not more than 60 days prior to the redemption date to each registered owner of the 2013 Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Trustee.

All official notices of redemption shall be dated and shall state: (a) the redemption date; (b) the redemption price; (c) the Series; (d) if less than all Outstanding 2013 Bonds of a Series or subseries are to be redeemed, the identification number and the respective principal amounts of the 2013 Bonds to be redeemed; (e) the CUSIP numbers of all 2013 Bonds being redeemed (provided that the notice may contain the Trustee's standard disclaimer as to the correctness and use of the CUSIP numbers); (f) the date of issue, the rate of interest and the maturity date of each 2013 Bond being redeemed; (g) that on the redemption date the redemption price will become due and payable upon each such 2013 Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (h) the place where such 2013 Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Trustee for the payment of 2013 Bonds.

In the case of an optional redemption, the notice may state (1) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (2) that the Commission retains the right to rescind such notice at any time prior to the scheduled redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Any Conditional Redemption may be rescinded in whole or in part at any time prior to the redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice. The Trustee shall give prompt notice of such rescission to the affected holders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default (as defined in the Indenture). Further, in the case of a Conditional Redemption, the failure of the Commission to make funds available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Official notice of redemption having been given as aforesaid, the 2013 Bonds or portions of 2013 Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Commission shall default in the payment of the redemption price) such 2013 Bonds or portions of 2013 Bonds shall cease to bear interest. Upon surrender of such 2013 Bonds for redemption in accordance with said notice, such 2013 Bonds shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any 2013 Bond, there shall be prepared for the registered owner a new 2013 Bond or 2013 Bonds of the same maturity in the amount of the unpaid principal. All 2013 Bonds which have been redeemed shall be canceled and destroyed by the Trustee in accordance with Section 3.5 and shall not be reissued. A second notice of redemption shall be given within 60 days after the redemption date in the manner required herein to the Bond Owners of redeemed Bonds which have not been presented for payment within 30 days after the redemption date.

In addition to the foregoing notice, further notice shall be given by the Paying Agent or Trustee (either as a separate notice or as part of the notice above) on behalf of the Commission as set out below. No defect in said further notice or the second notice specified in the forgoing paragraph nor any failure to give all or any portion of such notices shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the date of issue of the 2013 Bonds as originally issued; (B) the rate of interest borne by each 2013 Bond being redeemed; (C) the maturity date of each 2013 Bond being redeemed; and (D) any other descriptive information needed to identify accurately the 2013 Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least 30 days before the redemption date by first class mail, postage prepaid, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the 2013 Bonds and shall be provided at least 30 days before the redemption date to the Municipal Securities Rulemaking Board (“MSRB”) pursuant to its Electronic Municipal Market Access system (“EMMA”) (or any successor electronic filing system established by the MSRB).

Upon the payment of the redemption price of 2013 Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue, series or subseries, and maturity, the 2013 Bonds being redeemed with the proceeds of such check or other transfer.

For so long as the Securities Depository is effecting book-entry transfers of the 2013 Bonds, the Trustee shall provide the notices specified in this Section only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a 2013 Bond (having been mailed notice from the Paying Agent or Trustee, a Participant or otherwise) to notify the Beneficial Owner of the 2013 Bond so affected, shall not affect the validity of the redemption of such Series 2013 Bond.

Failure to give any notice to any owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other 2013 Bonds. Any notice mailed shall be conclusively presumed to have been duly given and shall become effective upon mailing, whether or not any owner receives the notice.

## **ARTICLE 8 COVENANTS OF THE COMMISSION**

### **8.1 Payment of Principal of and Interest on 2013 Bonds.**

The Commission covenants to the holders of the 2013 Bonds that, notwithstanding any other provision of this Sixth Supplemental Indenture or any other instrument, it will not make any investment or other use of the proceeds of the 2013 Bonds which, if such investment or use had been reasonably expected on the Series Issue Date, would have caused the 2013 Bonds to be arbitrage bonds under Section 148 of the Code and the rules and regulations thereunder, and the Commission further covenants that it will comply with the requirements of such Section, rules and regulations. The foregoing covenants shall extend throughout the term of the 2013 Bonds to all funds and accounts created under this Sixth Supplemental Indenture and all moneys on deposit to the credit of any such fund or account, and to any other amounts which are 2013 Bond proceeds for purposes of Section 148 of the Code and the rules and regulations thereunder.

The Trustee shall execute or join in the execution of any such further or additional instruments and file or join in the filing thereof at such time or times and in such place or places as it may be advised by an opinion of Counsel will preserve such security and right, title and interest until the aforesaid principal and interest shall have been paid.

## **8.6 Comply with Regulations.**

The Commission covenants that (1) it will take, or use its best efforts to require to be taken, all actions that may be required of the Commission to preserve its right to receive the Issuer Subsidy, and (2) will not take or authorize to be taken any actions within its control that would adversely affect its right

to receive the Issuer Subsidy. Notwithstanding the foregoing, the breach of this covenant by the Commission shall not constitute a default under the Indenture.

### **9.1 No Rights Conferred on Others.**

Nothing herein contained shall confer any right upon any Person other than the parties hereto and the Owners of the 2013 Bonds.

### **9.2 Legal, etc. Provisions Disregarded.**

OIL FRANCHISE TAX SENIOR REVENUE REFUNDING BOND,  
SERIES A OF 2013

Pennsylvania Turnpike Commission (the “Commission”), an instrumentality of the Commonwealth of Pennsylvania (the “Commonwealth”), for value received, hereby promises to pay to the registered owner hereof, or registered assigns, on the maturity date shown hereon, the principal amount shown hereon, unless redeemed prior thereto as hereinafter provided, upon presentation and surrender hereof at the designated corporate trust office of The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Trustee”) under the Sixth Supplemental Trust Indenture dated as of October 1, 2013 (the “Sixth Supplemental Indenture”), amending and supplementing the Trust Indenture dated as of August 1, 1998 (the “Original Indenture” and together with the Sixth Supplemental Indenture and prior supplements and amendments, the “Indenture”), by and between the Commission and the Trustee, and to pay by check or draft drawn on Manufacturers and Traders Trust Company (together with any successors, the “Paying Agent”), interest on such principal sum, at the interest rate stated hereon, from the June 1 or December 1 (each hereinafter referred to as an “Interest Payment Date”) next preceding the date hereof unless (i) this Bond shall be authenticated after a Record Date (hereinafter described) and on or before the next succeeding Interest Payment Date, in which case this Bond shall bear interest from such next succeeding Interest Payment Date, or (ii) this Bond shall be authenticated on or before December 1, 2013, in which case this Bond shall bear interest from October 1, 2013, payable December 1, 2013, and semiannually on each Interest Payment Date thereafter until the obligation with respect to the payment of such principal shall be discharged, but only in the case of interest due at or before maturity, to the person in whose name this Bond shall be registered at the close of business on the Record Date for such interest, which shall be the fifteenth day of the calendar month immediately preceding such Interest Payment Date Any interest not paid on an Interest Payment Date shall be paid to

the persons in whose names the bonds are registered as of a Special Record Date, fixed in the following manner. The Trustee shall fix a Special Record Date for the payment of such unpaid interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice from the Commission of the date and amount of the proposed payment. The Trustee shall, in the name and at the expense of the Commission, cause notice of the proposed payment of such unpaid interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each owner of a Bond entitled to such notice at the address of such owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

At the request of any registered owner of at least \$1,000,000 aggregate principal amount of Bonds, interest on this Bond shall be payable by wire transfer within the continental United States to a designated bank account of such owner or in such other fashion as is agreed upon in writing between the owner and the Paying Agent, provision for which must have been received no later than ten Business Days prior to the Record Date.

**THE BONDS ARE LIMITED OBLIGATIONS OF THE COMMISSION PAYABLE SOLELY FROM THAT PORTION OF THE OIL FRANCHISE TAX (AS DEFINED HEREINAFTER) PAID TO THE COMMISSION OR THE TRUSTEE AND CERTAIN FUNDS HELD UNDER THE INDENTURE AND THE EARNINGS THEREON. THE BONDS SHALL NOT BE DEEMED TO BE A DEBT OF THE COMMONWEALTH AND SHALL NOT BE AN OBLIGATION OF THE COMMISSION PAYABLE FROM ANY SOURCE EXCEPT THAT PORTION OF THE OIL FRANCHISE TAX PAID TO THE COMMISSION OR THE TRUSTEE BY THE COMMONWEALTH AND CERTAIN FUNDS HELD UNDER THE INDENTURE AND THE EARNINGS THEREON.**

This Bond is one of a duly authorized issue of bonds of the Commission designated "Pennsylvania Turnpike Commission Oil Franchise Tax Senior Revenue Refunding Bonds, Series A of 2013" (the "Bonds"), issued in the aggregate principal amount of \$27,785,000 under and pursuant to the Enabling Acts (as defined in the Indenture ), under and pursuant to resolutions of the Commission and under and pursuant to the Indenture, for the purpose of: (i) refunding certain maturities of the Commission's Oil Franchise Tax Senior Revenue Bonds, Series A of 2003; and (ii) paying the allocable costs of issuance of the Bonds. An executed counterpart of the Sixth Supplemental Indenture is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds, the collection and disposition of Tax Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bonds, the nature and extent of the security, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bonds. By the acceptance of this Bond, the registered owner hereof and, if a book-entry system is being used for the Bonds, any participant in the owner and any person claiming a beneficial interest under or through such owner or participant assents to all of the provisions of the Indenture.

Whenever the due date for payment of interest or principal of the Bonds (as hereinabove defined) or the date fixed for redemption of any Bond shall not be a Business Day (as defined in the Sixth Supplemental Indenture), then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Bond are payable only from moneys deposited or to be deposited under the Indenture, in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

Simultaneously herewith, the Commission is issuing \$32,035,000 aggregate principal amount of its Oil Franchise Tax Subordinated Revenue Refunding Bonds, Series B of 2013. The Original Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of additional Senior Bonds and additional Subordinated Bonds (each as described in the Original Indenture) for the purposes set forth therein.

The Bonds are equally and ratably secured as Senior Bonds by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Tax Revenues (as defined in the Indenture), which term includes that portion of the “oil company franchise tax for the highway maintenance and construction” (the “Oil Franchise Tax”) collected by the Commonwealth and paid to the Trustee, and any other receipts, revenues and other moneys received by the Trustee from the Commonwealth in substitution and/or replacement thereof, and any outstanding Senior Bonds and any additional Senior Bonds issued under the Indenture will be equally and ratably secured under the Indenture with the Bonds.

In the event the Tax Revenues are insufficient to pay the principal of and interest on the Bonds and all bonds issued under the Indenture or any indenture supplemental thereto, the Commission covenants pursuant to the Indenture to petition the General Assembly of the Commonwealth of Pennsylvania to increase the Tax Revenues allocated to it. The General Assembly has no obligation to take such action, however. In the statute establishing the oil company franchise tax, however, the following pledge is made, which the Commission covenants to seek to enforce under the Indenture:

The Commonwealth does hereby pledge to and agree with any person, firm or corporation acquiring any bonds to be issued by the Pennsylvania Turnpike Commission and secured in whole or in part by a pledge of the portion of the tax known as the “oil company franchise tax for the highway maintenance and construction” which is imposed by Section 9502(a)(2) and distributed in the manner indicated in that section, including 14% for toll roads designated under the Turnpike Organization, Extension and Toll Road Conversion Act, that the Commonwealth will not limit or alter the rights vested in the Pennsylvania Turnpike Commission to the appropriation and distribution of such tax revenues.

The Bonds are issuable in the form of registered bonds in denominations of \$5,000 each or any integral multiple thereof. Subject to the conditions and upon payment of the charges, if any, provided in the Indenture, this Bond, upon surrender hereof at the designated corporate trust office of the Bond Registrar, with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of any other authorized denomination of the same maturity.

#### OPTIONAL REDEMPTION

The Bonds maturing on December 1, 2024, are subject to redemption prior to maturity at any time on and after December 1, 2023, as a whole or in part (and if in part, in such order of maturity as directed by the Commission and within a maturity by lot), at the option of the Commission at par, plus accrued interest to the date of redemption, all in the manner provided by the Indenture.

If less than all of the Bonds which are stated to mature on the same date shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Trustee in such manner as the Trustee in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or any integral multiple thereof,

and that, in selecting portions of Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount thereof by \$5,000.

In the event of any such redemption, either in whole or in part, notice of such redemption shall be mailed via first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the redemption date to the registered owners of any Bonds or portions of Bonds to be redeemed at their registered addresses in the manner and under the terms and conditions provided in the Indenture. Such mailing shall not be a condition precedent to such redemption, and failure to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds. The Bonds or portions thereof so called for redemption shall become due and payable at the applicable redemption price herein provided, and from and after the date so fixed for redemption, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable.

In the case of an optional redemption, the notice may state (1) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (2) that the Commission retains the right to rescind such notice at any time prior to the scheduled redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Any Conditional Redemption may be rescinded in whole or in part at any time prior to the redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice. The Trustee shall give prompt notice of such rescission to the affected holders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default (as defined in the Indenture). Further, in the case of a Conditional Redemption, the failure of the Commission to make funds available in part or in whole on or before the redemption date shall not constitute an Event of Default.

The owner of this Bond by the acceptance hereof specifically agrees that the Trustee shall be under no obligation to take any action with respect to any Event of Default occurring under the terms of this Bond or the Indenture, other than to give notice of certain defaults as provided in the Indenture, unless requested so to do in writing by the owners of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding under the Indenture with respect to which the Event of Default has occurred and upon receipt of satisfactory indemnity as provided in the Indenture.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Upon the occurrence of an Event of Default, and on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture. Capitalized terms used in this Bond but not defined herein shall have the meanings ascribed to them in the Indenture.

All acts, conditions and things required by the constitution and statutes of the Commonwealth and the rules and regulations of the Commission to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture have happened, exist and have been performed as so required.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been signed by the Bond Registrar or its Agent.

IN WITNESS WHEREOF, the Pennsylvania Turnpike Commission has caused this Bond to be executed in its name by the signature of the Chairman of said Commission, and the official seal of said Commission to be affixed hereto and attested by the signature of the Secretary and Treasurer of said Commission.

PENNSYLVANIA TURNPIKE COMMISSION

Pennsylvania Turnpike Commission (the “Commission”), an instrumentality of the Commonwealth of Pennsylvania (the “Commonwealth”), for value received, hereby promises to pay to the registered owner hereof, or registered assigns, on the maturity date shown hereon, the principal amount shown hereon, unless redeemed prior thereto as hereinafter provided, upon presentation and surrender hereof at the designated corporate trust office of The Bank of New York Mellon Trust Company, N.A., as successor trustee (the “Trustee”) under the Sixth Supplemental Trust Indenture dated as of October 1, 2013 (the “Sixth Supplemental Indenture”), amending and supplementing the Trust Indenture dated as of August 1, 1998 (the “Original Indenture” and together with the Sixth Supplemental Indenture and prior supplements and amendments, the “Indenture”), by and between the Commission and the Trustee, and to pay by check or draft drawn on Manufacturers and Traders Trust Company (together with any successors, the “Paying Agent”), interest on such principal sum, at the interest rate stated hereon, from the June 1 or December 1 (each hereinafter referred to as an “Interest Payment Date”) next preceding the date hereof unless (i) this Bond shall be authenticated after a Record Date (hereinafter described) and on or before the next succeeding Interest Payment Date, in which case this Bond shall bear interest from such next succeeding Interest Payment Date, or (ii) this Bond shall be authenticated on or before December 1, 2013, in which case this Bond shall bear interest from October 1, 2013, payable December 1, 2013, and semiannually on each Interest Payment Date thereafter until the obligation with respect to the payment of such principal shall be discharged, but only in the case of interest due at or before maturity, to the person in whose name this Bond shall be registered at the close of business on the Record Date for such interest, which shall be the fifteenth day of the calendar month immediately preceding such Interest Payment Date.

Any interest not paid on an Interest Payment Date shall be paid to the persons in whose names the bonds are registered as of a Special Record Date, fixed in the following manner. The Trustee shall fix a Special Record Date for the payment of such unpaid interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice from the Commission of the date and amount of the proposed payment. The Trustee shall, in the name and at the expense of the Commission, cause notice of the proposed payment of such unpaid interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each owner of a Bond entitled to such notice at the address of such owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

At the request of any registered owner of at least \$1,000,000 aggregate principal amount of Bonds, interest on this Bond shall be payable by wire transfer within the continental United States to a designated bank account of such owner or in such other fashion as is agreed upon in writing between the owner and the Paying Agent, provision for which must have been received no later than ten Business Days prior to the Record Date.

**THE BONDS ARE LIMITED OBLIGATIONS OF THE COMMISSION PAYABLE SOLELY FROM THAT PORTION OF THE OIL FRANCHISE TAX (AS DEFINED HEREINAFTER) PAID TO THE COMMISSION OR THE TRUSTEE AND CERTAIN FUNDS HELD UNDER THE INDENTURE AND THE EARNINGS THEREON. THE BONDS SHALL NOT BE DEEMED TO BE A DEBT OF THE COMMONWEALTH AND SHALL NOT BE AN OBLIGATION OF THE COMMISSION PAYABLE FROM ANY SOURCE EXCEPT THAT PORTION OF THE OIL FRANCHISE TAX PAID TO THE COMMISSION OR THE TRUSTEE BY THE COMMONWEALTH AND CERTAIN FUNDS HELD UNDER THE INDENTURE AND THE EARNINGS THEREON.**

This Bond is one of a duly authorized issue of bonds of the Commission designated "Pennsylvania Turnpike Commission Oil Franchise Tax Subordinated Revenue Refunding Bonds, Series B of 2013" (the "Bonds"), issued in the aggregate principal amount of \$32,035,000 under and pursuant to the Enabling Acts (as defined in the Indenture), under and pursuant to resolutions of the Commission and under and pursuant to the Indenture, for the purpose of: (i) refunding certain maturities of the Commission's Oil Franchise Tax Subordinated Revenue Bonds, Series B of 2003; and (ii) paying the allocable costs of issuance of the Bonds. An executed counterpart of the Indenture is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds, the collection and disposition of Tax Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bonds, the nature and extent of the security, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bonds. By the acceptance of this Bond, the registered owner hereof and, if a book-entry system is being used for the Bonds, any participant in the owner and any person claiming a beneficial interest under or through such owner or participant assents to all of the provisions of the Indenture.

Whenever the due date for payment of interest or principal of the Bonds (as hereinabove defined) or the date fixed for redemption of any Bond shall be a Business Day (as defined in the Sixth Supplemental Indenture), then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Bond are payable only from moneys deposited or to be deposited under the Indenture, in such coin

or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

Simultaneously herewith, the Commission is issuing \$27,785,000 aggregate principal amount of its Oil Franchise Tax Senior Revenue Refunding Bonds, Series A of 2013. The Original Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of additional Senior Bonds and additional Subordinated Bonds (each as described in the Original Indenture) for the purposes set forth therein.

The Bonds are equally and ratably secured as Subordinated Bonds by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Tax Revenues (as defined in the Indenture), which term includes that portion of the “oil company franchise tax for the highway maintenance and construction” (the “Oil Franchise Tax”) collected by the Commonwealth and paid to the Trustee, and any other receipts, revenues and other moneys received by the Trustee from the Commonwealth in substitution and/or replacement thereof, and any outstanding Subordinated Bonds and any additional Subordinated Bonds issued under the Indenture will be equally and ratably secured under the Indenture with the Bonds.

In the event the Tax Revenues are insufficient to pay the principal of and interest on the Bonds and all bonds issued under the Indenture or any indenture supplemental thereto, the Commission covenants pursuant to the Indenture to petition the General Assembly of the Commonwealth of Pennsylvania to increase the Tax Revenues allocated to it. The General Assembly has no obligation to take such action, however. In the statute establishing the oil company franchise tax, however, the following pledge is made, which the Commission covenants to seek to enforce under the Indenture:

The Commonwealth does hereby pledge to and agree with any person, firm or corporation acquiring any bonds to be issued by the Pennsylvania Turnpike Commission and secured in whole or in part by a pledge of the portion of the tax known as the “oil company franchise tax for the highway maintenance and construction” which is imposed by Section 9502(a)(2) and distributed in the manner indicated in that section, including 14% for toll roads designated under the Turnpike Organization, Extension and Toll Road Conversion Act, that the Commonwealth will not limit or alter the rights vested in the Pennsylvania Turnpike Commission to the appropriation and distribution of such tax revenues.

The Bonds are issuable in the form of registered bonds in denominations of \$5,000 each or any integral multiple thereof. Subject to the conditions and upon payment of the charges, if any, provided in the Indenture, this Bond, upon surrender hereof at the designated corporate trust office of the Bond Registrar, with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of any other authorized denomination of the same maturity.

#### OPTIONAL REDEMPTION

The Bonds maturing on or after December 1, 2024, are subject to redemption prior to maturity at any time on and after December 1, 2023, as a whole or in part (and if in part, in such order of maturity as directed by the Commission and within a maturity by lot), at the option of the Commission at par, plus accrued interest to the date of redemption, all in the manner provided by the Indenture.

If less than all of the Bonds which are stated to mature on the same date shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Trustee in such manner as the Trustee in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or any integral multiple thereof, and that, in selecting portions of Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount thereof by \$5,000.

In the event of any such redemption, either in whole or in part, notice of such redemption shall be mailed via first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the redemption date to the registered owners of any Bonds or portions of Bonds to be redeemed at their registered addresses in the manner and under the terms and conditions provided in the Indenture. Such mailing shall not be a condition precedent to such redemption, and failure to mail any such notice shall not affect the validity of the proceedings for the redemption of Bonds. The Bonds or portions thereof so called for redemption shall become due and payable at the applicable redemption price herein provided, and from and after the date so fixed for redemption, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable.

In the case of an optional redemption, the notice may state (1) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (2) that the Commission retains the right to rescind such notice at any time prior to the scheduled redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described below.

Any Conditional Redemption may be rescinded in whole or in part at any time prior to the redemption date if the Commission delivers a certificate of a Commission Official to the Trustee instructing the Trustee to rescind the redemption notice. The Trustee shall give prompt notice of such rescission to the affected holders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default (as defined in the Indenture). Further, in the case of a Conditional Redemption, the failure of the Commission to make funds available in part or in whole on or before the redemption date shall not constitute an Event of Default.

The owner of this Bond by the acceptance hereof specifically agrees that the Trustee shall be under no obligation to take any action with respect to any Event of Default occurring under the terms of this Bond or the Indenture, other than to give notice of certain defaults as provided in the Indenture, unless requested so to do in writing by the owners of not less than twenty-five percent (25%) in principal amount of the Bonds then Outstanding under the Indenture with respect to which the Event of Default has occurred and upon receipt of satisfactory indemnity as provided in the Indenture.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Upon the occurrence of an Event of Default, and on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture. Capitalized terms used in this Bond but not defined herein shall have the meanings ascribed to them in the Indenture.

All acts, conditions and things required by the constitution and statutes of the Commonwealth and the rules and regulations of the Commission to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture have happened, exist and have been performed as so required.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been signed by the Bond Registrar or its Agent.

IN WITNESS WHEREOF, the Pennsylvania Turnpike Commission has caused this Bond to be executed in its name by the signature of the Chairman of said Commission, and the official seal of said Commission to be affixed hereto and attested by the signature of the Secretary and Treasurer of said Commission.
