In the event any Bondowner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may impose a charge against such Bondowner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Internal Revenue Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Bondowner hereunder or under the Bond Anticipation Notes.

(f) The Trustee shall not be required to (i) transfer or exchange any Bond Anticipation Note during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of such Bond Anticipation Note and ending at the close of business on the day of such mailing, or (ii) transfer or exchange any Bond Anticipation Note so selected for redemption in whole or in part, or during a period beginning at the opening of business on any Record Date for such Bond Anticipation Note and ending at the close of business on the relevant Interest Payment Date therefor.

(g) The Person in whose name any Bond Anticipation Note shall be registered on the Bond Register shall be deemed and regarded as the absolute owner of such Bond Anticipation Note for all purposes, and payment of or on account of the principal or Purchase Price of and redemption premium, if any, and interest on any such Bond Anticipation Note shall be made only to or upon the order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond Anticipation Note, including the interest thereon, to the extent of the sum or sums so paid.

(h) At reasonable times upon prior Written Request and under reasonable regulations established by the Trustee, the Bond Register may be inspected and copied by the Commission or by the Owners (or a designated representative thereof) of 10% or more in principal amount of Bond Anticipation Notes then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

## 2.7 Temporary Bond Anticipation Notes.

(a) Until definitive Bond Anticipation Notes are ready for delivery, the Commission may execute, and upon the Written Request of the Commission, the Trustee shall authenticate and deliver, in lieu of definitive Bond Anticipation Notes, but subject to the same limitations and conditions as definitive Bond Anticipation Notes, temporary printed, engraved, lithographed or typewritten Bond Anticipation Notes.

(b) If temporary Bond Anticipation Notes shall be issued, the Commission shall cause the definitive Bond Anticipation Notes to be prepared and to be executed and delivered to the Trustee, and the Trustee, upon presentation to it at its Principal Office of any temporary Bond Anticipation Note, shall cancel the same and authenticate and deliver in exchange therefor, without charge to the Owner thereof, a definitive Bond Anticipation Note of the same maturity and bearing interest at the same rate as the temporary Bond Anticipation Note surrendered. Until so exchanged, the temporary Bond Anticipation Notes shall in all respects be entitled to the same benefit and security of this Supplemental Trust Indenture No. 10 as the definitive Bond Anticipation Notes to be issued and authenticated hereunder.

## 2.8 Mutilated, Lost, Stolen or Destroyed Bond Anticipation Notes.

In the event any Bond Anticipation Note shall become mutilated, or be lost, stolen or destroyed, the Commission shall execute and the Trustee shall authenticate and deliver a new Bond Anticipation Note of like series, date and tenor as the Bond Anticipation Note mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond Anticipation Note, such mutilated Bond Anticipation Note shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond Anticipation Note, there shall be first furnished to the Commission and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together, in either such case, with such security or indemnity as may be required by the Trustee to save the Commission and the Trustee harmless. In the event any such Bond Anticipation Note shall have matured or been selected for redemption, instead of issuing a substitute Bond Anticipation Note the Trustee in its discretion may, instead of issuing a new Bond Anticipation Note, pay, with funds available under this Supplemental Trust Indenture No. 10 for such purpose, such Bond Anticipation Note without surrender thereof (except in the case of a mutilated Bond Anticipation Note). Upon the issuance of any substitute Bond Anticipation Note, the Commission and the Trustee may require the payment of an amount by the Bondowner sufficient to reimburse the Commission and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

## 2.9 Cancellation and Destruction of Bonds Upon Payment.

All Bond Anticipation Notes which have been paid or redeemed or which the Trustee has purchased or which have otherwise been surrendered to the Trustee under this Supplemental Trust Indenture No. 10, either at or before maturity, shall be canceled and destroyed by the Trustee in compliance with all applicable laws and regulations and the record retention requirements of the Trustee upon the payment, redemption or purchase of such Bond Anticipation Notes and the surrender thereof to the Trustee. The

Trustee shall execute a certificate in triplicate describing the Bond Anticipation Notes so canceled and destroyed, and shall file executed counterparts of such certificate with the Commission.

### **ARTICLE 3 BOOK-ENTRY; SECURITIES DEPOSITORY.**

3.1 The Bond Anticipation Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Bond Anticipation Notes, except in the event the Trustee issues Replacement Bond Anticipation Notes as provided in Section 3.2. It is anticipated that during the term of the Bond Anticipation Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal and Purchase Price of, premium, if any, and interest on, the Bond Anticipation Notes to the Participants until and unless the Trustee authenticates and delivers Replacement Bond Anticipation Notes to the beneficial owners as described in Subsection (b).

3.2 If the Commission determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bond Anticipation Notes being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or if the Trustee receives written notice from Participants having interests in not less than 50% of the Bond Anticipation Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect to the Trustee by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bond Anticipation Notes, then the Trustee, based on information provided to it by the Securities Depository, shall notify the beneficial owners of the Bond Anticipation Notes and the Bond Insurer of such determination or such notice and of the availability of certificates to beneficial owners of the Bond Anticipation Notes requesting the same, and the Trustee shall register in the name of and authenticate and deliver Bond Anticipation Notes (the "Replacement Bond Anticipation Notes") to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (A) or (B) of this Subsection (b), the Commission, with the consent of the Trustee, may select a successor Securities Depository in accordance with Subsection (c) to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its nominee is the Registered Owner of at least one Bond Anticipation Note. Upon the issuance of Replacement Bond Anticipation Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Bond Anticipation Notes. If the Securities Depository

resigns and the Trustee or the Commission are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Trustee shall authenticate and cause delivery of Replacement Bond Anticipation Notes to the Commission, as provided herein. The Trustee may rely on information from the Securities Depository and its Participants as to the names, addresses, taxpayer identification numbers of and principal amount held by the beneficial owners of the Bond Anticipation Notes. The cost of printing Replacement Bond Anticipation Notes shall be paid for by the Commission.

In the event the Securities Depository resigns or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Commission may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Bond Anticipation Note or Bond Anticipation Notes for cancellation shall cause the delivery of Bond Anticipation Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

**ARTICLE 5    DISPOSITION OF PROCEEDS; CREATION OF FUNDS AND ACCOUNTS**

**5.1    Establishment of 2007 Bond Anticipation Notes Clearing Fund.**

There is hereby established with the Trustee a fund to be designated the “2007 Bond Anticipation Notes Clearing Fund.” All of the net proceeds of the Bond Anticipation Notes shall be deposited by the Trustee into the 2007 Bond Anticipation Notes Clearing Fund and the Trustee shall establish, at the direction of the Commission, one or more Accounts and Sub-Accounts therein applicable to each Series of Bond Anticipation Notes. The Trustee shall deposit any additional amounts required to be deposited therein by the Commission. The Trustee is authorized and directed:

1. to transfer to the 2007A Sub-Account of the Act 44 Projects Account of the Construction Fund and the 2007B Sub-Account of the Act 44 Projects Account of the Construction Fund the amounts from the proceeds of each respective Series set forth in a closing statement signed by a Commission Official (the “Closing Statement”) for Project costs;

2. to transfer to the 2007A Capitalized Interest Sub-Account of the 2007 Bond Anticipation Notes Account of the Debt Service Fund and the 2007B Capitalized Interest Sub-Account of the 2007 Bond Anticipation Notes Account of the Debt Service Fund the amounts from the proceeds of each respective Series set forth in the Closing Statement for Project costs

3. to pay costs incurred by the Commission in connection with the issuance of the Bond Anticipation Notes including, but not limited to, those set forth in the Closing Statement.

Any moneys remaining in the respective accounts of the 2007 Clearing Fund as of 180 days after the date of issuance of the Bond Anticipation Notes shall then at such time be transferred to the corresponding Series A Notes Subaccount or Series B Notes Subaccount of the 2007 Bond Anticipation Notes Account of the Debt Service Fund.

**5.2    Establishment of Account and Sub-Accounts of the Construction Fund.**

There is hereby established with the Trustee an Account of the Construction Fund designated the “Act 44 Projects Account”. There are also hereby established with the Trustee Sub-Accounts of the Act 44 Projects Account designated the “2007A Sub-Account of the Act 44 Projects Account” and the “2007B Sub-Account of the Act 44 Projects Account”. Payment of the costs of the respective parts of the Project shall be made from such Sub-Accounts. Before any payment shall be made from such Sub-Accounts, the Commission shall file with the Trustee a requisition, signed by a Commission Official stating in respect of each payment to be made:

(a) the name of the Person, firm or corporation to whom payment is due,

- (b) the amount to be paid,
- (c) the purpose for which the obligation to be paid was incurred; and
- (d) each item is a proper charge against the respective Project Account and has not been paid.

Upon receipt of each requisition, the Trustee shall transfer from the respective Project Sub-Account funds equal to the total of the amounts to be paid as set forth in such requisition.

All requisitions received by the Trustee pursuant to this Section may be relied upon by and shall be retained in the possession of the Trustee for a period of five (5) years, subject at all times to the inspection of the Commission, its agents and representatives, and any other Person authorized by a certificate of a Commission Official.

If at any time a Commission Official shall file with the Trustee a certificate stating that the cost of a Project has been finally determined and that the funds remaining in the Sub-Account established for such Project exceed the remaining costs of the Project, then an amount equal to such excess shall be transferred to such fund or account as directed in the certificate, provided the same is accompanied by an opinion of Bond Counsel to the effect that such transfer or and/or application will not adversely effect the tax-exempt status of the interest of the applicable Bonds.

### 5.3 2007 Bond Anticipation Notes Account and Sub-Accounts of the Debt Service Fund.

There is hereby created a separate 2007 Bond Anticipation Notes Account of the Debt Service Fund for deposit and disbursement of funds for debt service on the Bond Anticipation Notes. There are also hereby created separate Sub-Accounts of the 2007 Bond Anticipation Notes Account, such Sub-Accounts to be designated the "2007A Debt Service Sub-Account", the "2007A Debt Service Sub-Account", the "2007B Capitalized Interest Sub-Account" and the "2007B Capitalized Interest Sub-Account" for deposit and disbursement of funds for debt service on the respective Series of Bond Anticipation Notes.

### 5.4 2007 Bond Anticipation Notes Rebate Fund.

Upon written request of the Commission, the Trustee shall establish a Fund to be designated the "2007 Bond Anticipation Notes Rebate Fund" which shall be held separate and apart from all other Funds established under the Indenture. A subaccount shall be created in the 2007 Bond Anticipation Notes Rebate Fund as directed by the Commission with respect to the Series A Notes (the "Series A Rebate Subaccount"). The Trustee shall make deposits to and disbursements from the Series A Rebate Subaccount in accordance with the Tax Regulatory Certificate and shall invest the Series A Rebate Subaccount pursuant to the written instructions given to it by the Commission. The immediately preceding sentence of this Section may be superseded or amended by a new Tax

Regulatory Certificate delivered by the Commission and accompanied by an opinion of Bond Counsel addressed to the Trustee to the effect that the use of such new Tax Regulatory Certificate will not cause the interest on the Series A Notes to become includable in gross income of the recipient thereof for purposes of federal income taxation under Section 103 of the Code.

5.5 Investment of Funds.

Moneys on deposit with respect to the Bond Anticipation Notes in funds or accounts established pursuant to this Article 5 shall be invested solely in Permitted Investments to the extent permitted by applicable law.

**ARTICLE 6 REDEMPTION OF BOND ANTICIPATION NOTES**

6.1 Optional Redemption.

Each Series of the Bond Anticipation Notes is subject to redemption prior to maturity at the option of the Commission in whole or in part by lot within the applicable Series at any time on or after October 15, 2008, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date.

6.2 Partial Redemption.

Any partial redemption of a Series may be in any order of maturity and in any principal amount within a maturity as designated by the Commission and in the case of any Bond Anticipation Notes of a Series subject to mandatory redemption, the Commission shall be entitled to designate whether such payments shall be credited against principal amounts due at maturity or against particular scheduled mandatory redemption obligations with respect to such Bond Anticipation Notes.

6.3 Selection of Bond Anticipation Notes to be Redeemed.

(a) Bond Anticipation Notes of a Series shall be redeemed only in Authorized Denominations. If less than all Bond Anticipation Notes of a Series are to be redeemed and paid prior to maturity, such Bond Anticipation Notes shall be selected by the Trustee by such method as the Trustee shall deem fair and appropriate; provided that Liquidity Provider Bonds and Commission Bonds, in that order, shall be redeemed before other Bond Anticipation Notes are redeemed.

(b) In the case of a partial redemption of Bond Anticipation Notes when Bond Anticipation Notes of a Series of denominations greater than the minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each principal amount equal to the minimum Authorized Denomination shall be treated as though it was a separate Bond Anticipation Note of the minimum Authorized Denomination. If it is determined that a portion, but not all, of the principal amount represented by any Bond Anticipation Note is to be selected for redemption, then upon notice of intention to redeem such portion, the Owner of such Bond Anticipation

Note or such Owner's attorney or legal representative shall forthwith present and surrender such Bond Anticipation Note to the Trustee (1) for payment of the redemption price (including the premium, if any, and interest to the date fixed for redemption) of the principal amount called for redemption, and (2) for exchange, without charge to the Owner thereof for a new Bond Anticipation Note or Bond Anticipation Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond Anticipation Note shall fail to present such Bond Anticipation Note to the Trustee for payment and exchange as aforesaid, said Bond Anticipation Note shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

(c) The Trustee shall call Bond Anticipation Notes for redemption and payment as herein provided upon receipt by the Trustee at least 35 days prior to the redemption date of a Written Request of the Commission. Such request shall specify the principal amount of Bond Anticipation Notes and their Series and maturities so to be called for redemption, the applicable redemption price or prices and the provision or provisions above referred to pursuant to which such Bond Anticipation Notes are to be called for redemption.

#### 6.4 Notice and Effect of Call for Redemption.

Official notice of any such redemption shall be given by the Trustee on behalf of the Commission by mailing a copy of an official redemption notice by first class mail at least 30 days and not more than 60 days prior to the redemption date to each Registered Owner of the Bond Anticipation Notes to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Trustee.

All official notices of redemption shall be dated and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) the Series;
- (d) if less than all Outstanding Bond Anticipation Notes of a Series are to be redeemed, the identification number and the respective principal amounts of the Bond Anticipation Notes to be redeemed;
- (e) that on the redemption date the redemption price will become due and payable upon each such Bond Anticipation Note or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and
- (f) the place where such Bond Anticipation Notes are to be surrendered for payment of the redemption price, which place of payment shall be the Principal Office of the Trustee for the payment of Bond Anticipation Notes.

Any notice of redemption of any Bond Anticipation Notes pursuant to this Article 6 may specify that the redemption is contingent upon the deposit of moneys with the Trustee in an amount sufficient to pay the redemption price of all the Bond Anticipation Notes or portions of Bond Anticipation Notes which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bond Anticipation Notes or portions of Bond Anticipation Notes so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Commission shall default in the payment of the redemption price) such Bond Anticipation Notes or portions of Bond Anticipation Notes shall cease to bear interest. Upon surrender of such Bond Anticipation Notes for redemption in accordance with said notice, such Bond Anticipation Notes shall be paid by the Trustee at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond Anticipation Note, there shall be prepared for the Registered Owner a new Bond Anticipation Note or Bond Anticipation Notes of the same maturity in the amount of the unpaid principal. All Bond Anticipation Notes which have been redeemed shall be canceled and destroyed by the Trustee in accordance with Section 2.7 and shall not be reissued. A second notice of redemption shall be given within 60 days after the redemption date in the manner required herein to the Bondowners of redeemed Bonds which have not been presented for payment within 30 days after the redemption date.

In addition to the foregoing notice, further notice shall be given by the Trustee on behalf of the Commission as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed:

Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bond Anticipation Notes being redeemed (provided that the notice may contain the Trustee's standard disclaimer as to the correctness and use of the CUSIP numbers); (ii) the date of issue of the Bond Anticipation Notes as originally issued; (iii) the rate of interest borne by each Bond Anticipation Note being redeemed; and (iv) any other descriptive information needed to identify accurately the Bond Anticipation Notes being redeemed.

Each further notice of redemption shall be sent at least 30 days before the redemption date by registered or certified mail, overnight delivery service or facsimile to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bond Anticipation Notes, to one or more national information services that disseminate notices of redemption of obligations such as the Bond Anticipation Notes, to the Nationally Recognized Municipal Securities Information Repositories, any State Information Depository in the Commonwealth and to such information repositories as specified by a Commission Representative in order that the Commission may comply with its applicable confining disclosure undertakings with respect to the Bond Anticipation Notes.

Upon the payment of the redemption price of Bond Anticipation Notes being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue, Series and maturity, the Bond Anticipation Notes being redeemed with the proceeds of such check or other transfer.

For so long as the Securities Depository is effecting book-entry transfers of the Bond Anticipation Notes, the Trustee shall provide the notices specified in this Section only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond Anticipation Note (having been mailed notice from the Trustee, a Participant or otherwise) to notify the beneficial owner of the Bond Anticipation Note so affected, shall not affect the validity of the redemption of such Bond Anticipation Note.

Failure to give any notice to any Owner, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Bond Anticipation Notes. Any notice mailed shall be conclusively presumed to have been duly given and shall become effective upon mailing, whether or not any Owner receives the notice.

## **ARTICLE 7 COVENANTS OF THE COMMISSION**

### **7.1 Payment of Principal of and Interest on Bond Anticipation Notes.**

The Commission shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond Anticipation Note issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of Revenues or otherwise from the Trust Estate.

### **7.2 Corporate Existence; Compliance with Laws.**

The Commission shall maintain its corporate existence; shall use its best efforts to maintain and renew all its rights, powers, privileges and franchises; and shall comply with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any legislative, executive, administrative or judicial body relating to the Commission's participation in the Project or the issuance of the Bond Anticipation Notes.

### **7.3 Further Assurances.**

Except to the extent otherwise provided in the Indenture, the Commission shall not enter into any contract or take any action by which the rights of the Trustee or the Bond Anticipation Noteholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Supplemental Indenture No. 10.

#### 7.4 Bond Anticipation Notes Not to Become Arbitrage Bonds.

The Commission covenants to the holders of those Bond Anticipation Notes, the interest on which is excludible from gross income for federal income tax purposes, that, notwithstanding any other provision of this Supplemental Indenture No. 10 or any other instrument, it will not make any investment or other use of the proceeds of such Bond Anticipation Notes which, if such investment or use had been reasonably expected on the Series Issue Date, would have caused such Bond Anticipation Notes to be arbitrage bonds under Section 148 of the Code and the rules and regulations thereunder, and the Commission further covenants that it will comply with the requirements of such Section, rules and regulations. The foregoing covenants shall extend throughout the term of such Bond Anticipation Notes to all applicable funds and accounts created under this Supplemental Indenture No. 10 and all moneys on deposit to the credit of any such fund or account, and to any other amounts which are Bond Anticipation Note proceeds for purposes of Section 148 of the Code and the rules and regulations thereunder.

#### 7.5 Financing Statements.

The Commission shall, at the request of the Trustee, cause financing statements relating to this Supplemental Indenture No. 10 to be filed, in such manner and at such places as may be required by law fully to protect the security of the holders of the Bond Anticipation Notes and the right, title and interest of the Trustee in and to the Trust Estate or any part thereof. From time to time, the Trustee may, but shall not be required to, obtain an opinion of Counsel setting forth what, if any, actions by the Commission or Trustee should be taken to preserve such security. The Commission shall execute or cause to be executed any and all further instruments as may be required by law or as shall reasonably be requested by the Trustee for such protection of the interests of the Bond Anticipation Noteholders, and shall furnish satisfactory evidence to the Trustee of filing and refiling of such instruments and of every additional instrument which shall be necessary to preserve the security of the Bond Anticipation Noteholders and the right, title and interest of the Trustee in and to the Trust Estate or any part thereof until the principal of and interest on the Bond Anticipation Notes issued hereunder shall have been paid. The Trustee shall execute or join in the execution of any such further or additional instruments and file or join in the filing thereof at such time or times and in such place or places as it may be advised by an opinion of Counsel will preserve such security.

In the event of any reorganization or liquidation, Ambac shall have the right to vote on behalf of all Holders who hold Ambac-insured Bond Anticipation Notes absent a default by Ambac under the applicable Financial Guaranty Insurance Policy insuring such Obligation.

(d) Anything in this Supplemental Indenture No. 10 to the contrary notwithstanding, upon the occurrence and continuance of an event of default as defined herein, Ambac shall be entitled to control and direct the enforcement of all rights and remedies granted to the Holders or the Trustee for the benefit of the Holders under this Supplemental Indenture No. 10, including, without limitation: (i) the right to accelerate the principal of the Bond Anticipation Notes as described in this Supplemental Indenture No. 10, and (ii) the right to annul any declaration of acceleration, and Ambac shall also be entitled to approve all waivers of events of default.

(e) Upon the occurrence of an event of default, the Trustee may, with the consent of Ambac, and shall, at the direction of Ambac or 10% of the Holders with the consent of Ambac, by written notice to the Commission and Ambac, declare the principal of the Bond Anticipation Notes to be immediately due and payable, whereupon that portion of the principal of the Bond Anticipation Notes thereby coming due and the interest thereon accrued to the date of payment shall, without further action, become and be immediately due and payable, anything in this Supplemental Indenture No. 10 or in the Bond Anticipation Notes to the contrary notwithstanding.

(f) In the event that the maturity of the Bond Anticipation Notes is accelerated, the Bond Insurer may elect, in its sole discretion, to pay all or a portion of the accelerated principal and interest accrued on such principal to the date of acceleration (to the extent unpaid by the Commission) with respect to the 20007 Bonds, and the Bond Trustee shall accept such amounts. (a) At least one (1) business day prior to all Interest Payment Dates, the Trustee or Paying Agent, if any, will determine whether there will be sufficient funds in the Funds and Accounts to pay the principal of or interest on the Bond Anticipation Notes on such Interest Payment Date. If the Trustee or Paying Agent, if any, determines

that there will be insufficient funds in such Funds or Accounts, the Trustee or Paying Agent, if any, shall so notify Ambac. Such notice shall specify the amount of the anticipated deficiency, the Bond Anticipation to which such deficiency is applicable and whether such will be deficient as to principal or interest, or both. If the Trustee or Paying Agent, if any, has not so notified Ambac at least one (1) business day prior to an Interest Payment Date, Ambac will make payments of principal or interest due on the Bond Anticipation Notes on or before the first (1st) business day next following the date on which Ambac shall have received notice of nonpayment from the Trustee or Paying Agent, if any.

(b) The Trustee or Paying Agent, if any, shall, after giving notice to Ambac as provided in (a) above, make available to Ambac and, at Ambac's direction, to The Bank of New York, in New York, New York, as insurance trustee for Ambac or any successor insurance trustee (the "Insurance Trustee"), the registration books of the Commission maintained by the Trustee or Paying Agent, if any, and all records relating to the Funds and Accounts maintained under this Supplemental Indenture No. 10.

(c) The Trustee or Paying Agent, if any, shall provide Ambac and the Insurance Trustee with a list of registered owners of Bond Anticipation Notes entitled to receive principal or interest payments from Ambac under the terms of the Financial Guaranty Insurance Policy, and shall make arrangements with the Insurance Trustee (i) to mail checks or drafts to the registered owners of Bond Anticipation Notes entitled to receive full or partial interest payments from Ambac and (ii) to pay principal upon Bond Anticipation Notes surrendered to the Insurance Trustee by the registered owners of Bond Anticipation Notes entitled to receive full or partial principal payments from Ambac.

(d) The Trustee or Paying Agent, if any, shall, at the time it provides notice to Ambac pursuant to (a) above, notify registered owners of Bond Anticipation Notes entitled to receive the payment of principal or interest thereon from Ambac (i) as to the fact of such entitlement, (ii) that Ambac will remit to them all or a part of the interest payments next coming due upon proof of Holder entitlement to interest payments and delivery to the Insurance Trustee, in form satisfactory to the Insurance Trustee, of an appropriate assignment of the registered owner's right to payment, (iii) that should they be entitled to receive full payment of principal from Ambac, they must surrender their Bond Anticipation Notes (along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee to permit ownership of such Bond Anticipation Notes to be registered in the name of Ambac) for payment to the Insurance Trustee, and not the Trustee or Paying Agent, if any, and (iv) that should they be entitled to receive partial payment of principal from Ambac, they must surrender their Bond Anticipation Notes for payment thereon first to the Trustee or Paying Agent, if any, who shall note on such Bond Anticipation Notes the portion of the principal paid by the Trustee or Paying Agent, if any, and then, along with an appropriate instrument of assignment in form satisfactory to the Insurance Trustee, to the Insurance Trustee, which will then pay the unpaid portion of principal.

(e) In the event that the Trustee or Paying Agent, if any, has notice that any payment of principal of or interest on a Bond Anticipation Note which has

become Due for Payment and which is made to a Holder by or on behalf of the Commission has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Trustee or Paying Agent, if any, shall, at the time Ambac is notified pursuant to (a) above, notify all registered owners that in the event that any registered owner's payment is so recovered, such registered owner will be entitled to payment from Ambac to the extent of such recovery if sufficient funds are not otherwise available, and the Trustee or Paying Agent, if any, shall furnish to Ambac its records evidencing the payments of principal of and interest on the Bond Anticipation Notes which have been made by the Trustee or Paying Agent, if any, and subsequently recovered from registered owners and the dates on which such payments were made.

(f) In addition to those rights granted Ambac under this Supplemental Indenture No.10, Ambac shall, to the extent it makes payment of principal of or interest on Bond Anticipation Notes, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Financial Guaranty Insurance Policy, and to evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee or Paying Agent, if any, shall note Ambac's rights as subrogee on the registration books of the Commission maintained by the Trustee or Paying Agent, if any, upon receipt from Ambac of proof of the payment of interest thereon to the registered owners of the Bond Anticipation Notes, and (ii) in the case of subrogation as to claims for past due principal, the Trustee or Paying Agent, if any, shall note Ambac's rights as subrogee on the registration books of the Commission maintained by the Trustee or Paying Agent, if any, upon surrender of the Bond Anticipation Notes by the registered owners thereof together with proof of the payment of principal thereof.

8.10 Covenant. The Commission hereby covenants and agrees that it shall reimburse Ambac for any amounts paid under the Financial Guaranty Insurance Policy and all costs of collection thereof and enforcement of this Supplemental Indenture No. 10 and any other documents executed in connection with this Supplemental Indenture No. 10, together with interest thereon, from the date paid or incurred by Ambac until payment thereof in full by the Commission, payable at the Insurer Payment Rate (as hereinafter defined), including without limitation (to the extent permitted by applicable law) interest on claims paid by Ambac in respect of interest on the Bond Anticipation Notes. Such payment obligation shall be payable on demand and on a parity with, and from the same sources and secured by the same security as, regularly scheduled principal and interest payments in respect of the Bond Anticipation Notes. For purposes of the foregoing, "Insurer Payment Rate" shall mean the lesser of (a) the maximum rate permissible under applicable usury or similar laws limiting interest rates and (b) the greater of (i) the then applicable highest rate of interest on the Bond Anticipation Notes and (ii) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank, N.A. ("Chase") at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by Chase) plus 3 percent. The Insurer Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event that

Chase ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as Ambac shall specify.

#### 8.11 Trustee Related Provisions.

(a) The Trustee or Paying Agent may be removed at any time, at the request of Ambac, for any breach of the Trust set forth herein.

(b) Ambac shall receive prior written notice of any Trustee or Paying Agent resignation.

(c) Every successor Trustee appointed pursuant hereto shall be a trust company or bank in good standing located in or incorporated under the laws of the Commonwealth, duly authorized to exercise trust powers and subject to examination by federal or state authority, having a reported capital and surplus of not less than \$75,000,000 and acceptable to Ambac. (e) Notwithstanding any other provision of this Supplemental Indenture No.10, no removal, resignation or termination of the Trustee or Paying Agent shall take effect until a successor, acceptable to Ambac, shall be appointed.

8.12 Ambac As Third Party Beneficiary. Pennsylvania Turnpike Commission (the "Commission"), an instrumentality of the Commonwealth of Pennsylvania (the "Commonwealth"), for value received, hereby promises to pay to the registered owner hereof, or registered assigns, on the maturity date shown hereon, the principal amount shown hereon, (this "Note") unless redeemed prior thereto as hereinafter provided, upon presentation and surrender hereof at the designated corporate trust office of U.S. Bank National Association, Philadelphia, Pennsylvania, as Trustee (the "Trustee") under an Amended and Restated Trust Indenture dated as of March 1, 2001, as amended, between the Commission and the Trustee, as previously supplemented (the "Restated Indenture") and as further supplemented by a Supplemental Trust Indenture No. 10 dated as of October 1, 2007 between the Commission and the Trustee (the "Supplemental Indenture No. 10" and, together with the Restated Indenture and all amendments and supplements thereto, the "Indenture"), to the person in whose name this Note shall be registered. This Note is one of a duly authorized issue of Notes of the Commission designated Pennsylvania Turnpike Bond Anticipation Notes, Series A of 2007, (the "Bond Anticipation Notes"), issued in the aggregate principal amount of \$280,830,000 under and pursuant to an Act of the General Assembly of the Commonwealth of Pennsylvania approved May 21, 1937, P.L. 774, No. 211, as amended and supplemented *inter alia*, by the Act of the General Assembly of the Commonwealth of Pennsylvania approved September 30, 1985, P.L. 240, No. 101 (the "Enabling Acts"), under and pursuant to resolutions of the Commission and under and pursuant to the Indenture, for the purpose of financing a portion of the costs of a project consisting of (i) after execution of the Lease, making Payments to PennDot in accordance with Act 44 to fund (a) certain grants to mass transit agencies and (b) various road, highway, bridge and

Costs of the Project are also being financed with proceeds of the Commission's Series B Notes also being issued on the Series Issue Date and as further described in Supplemental Indenture No. 10.

An executed counterpart of the Indenture is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bond Anticipation Notes, the collection and disposition of Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bond Anticipation Notes, the nature and extent of the security, the terms and conditions on which the Bond Anticipation Notes are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bond Anticipation Notes. By the acceptance of this Note, the registered owner hereof and, if a book entry system is being used for the Bond Anticipation Notes, any participant in the owner and any person claiming a beneficial interest under or through such owner or participant assents to all of the provisions of the Indenture.

Whenever the due date for payment of interest or principal of the Bond Anticipation Notes (as hereinafter defined) or the date fixed for redemption of any Notes shall be a Saturday, a Sunday, a legal holiday or a day on which the Trustee or the Paying Agent is authorized by law to close, then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is not a Saturday, a Sunday, a legal holiday, or a day on which the Trustee or the Paying Agent is authorized by law to close, with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Note are payable only from moneys deposited or to be deposited under the Indenture, in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

THE BOND ANTICIPATION NOTES ARE OBLIGATIONS OF THE COMMISSION AND SHALL NOT BE DEEMED TO BE DEBT OF THE COMMONWEALTH. THE BOND ANTICIPATION NOTES SHALL BE PAYABLE SOLELY FROM THE REVENUES (AS DEFINED IN THE INDENTURE) OF THE COMMISSION FOR THAT PURPOSE. THE FAITH AND CREDIT OF THE COMMONWEALTH ARE NOT PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE HEREOF OR THE INTEREST HEREON AND THE COMMONWEALTH IS NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATED TO LEVY OR TO PLEDGE ANY FORM OF

TAXATION WHATEVER THEREFOR, OR TO MAKE ANY APPROPRIATION FOR PAYMENT OF THE BOND ANTICIPATION NOTES.

The Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of Additional Bonds, Convertible Bonds and subordinate indebtedness (each as described in the Indenture) for the purposes set forth therein.

The Bond Anticipation Notes are equally and ratably secured, together with all other parity bonds and notes issued or to be issued pursuant to the Indenture and other parity indebtedness, by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Revenues (as defined in the Indenture), which term currently includes, among other things, solely tolls from the Turnpike System's "Main Line" and the "Northeast Extension" and any other roads for which the Commission has operational responsibilities and is collecting tolls, but shall not include tolls from such other roads (other than the Main Line and the Northeast Extension) as are designated by the Commission as not being part of the Turnpike System for purposes of the Indenture. Any Additional Bonds issued under the Indenture, other than Convertible Bonds, will be equally and ratably secured under the Indenture with the Bond Anticipation Notes and all other Bonds issued and outstanding under the Indenture and other parity indebtedness. The Indenture provides the conditions, limitations and restrictions under which Convertible Bonds become equally and ratably secured under the Indenture with the Bond Anticipation Notes.

The Commission is required to fix and charge tolls for the use of the Pennsylvania Turnpike System and to adjust such tolls from time to time as may be necessary in order that such tolls and other Revenues will be sufficient to pay the cost of maintaining, repairing and operating the same, to pay the principal of and interest on the Bond Anticipation Notes and all other Bonds and Notes issued under the Indenture, and to create reserves for such purposes, all in the manner provided in the Indenture.

The Bond Anticipation Notes are issuable in the form of registered notes in denominations of \$5,000 each or any integral multiple thereof. Subject to the conditions and upon payment of the charges, if any, provided in the Indenture, this Note, upon surrender hereof at the designated corporate trust office of the Bond Registrar in Philadelphia, Pennsylvania, with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bond Anticipation Notes of any other authorized denomination of the same maturity.

Optional Redemption. The Bond Anticipation Notes are subject to optional redemption prior to maturity by the Commission at any time on or after October 15, 2008, as a whole or in part by lot, at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the redemption date.

Any partial redemption may be in any order of maturity and in any principal amount within a maturity as designated by the Commission.

The owner of this Note by the acceptance hereof specifically agrees that the Trustee shall be under no obligation to take any action with respect to any Event of Default occurring under the terms of this Note or the Indenture, other than to give notice of certain defaults as provided in the Indenture, unless requested so to do in writing by the owners of not less than ten percent (10%) in principal amount of the Notes then Outstanding under the Indenture and upon receipt of satisfactory indemnity as provided in the Indenture.

The owner of this Note shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Upon the occurrence of an event of default, and on the conditions, in the manner and with the effect, set forth in the Indenture, the principal of all Notes then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture.

All acts conditions and things required by the Constitution and statutes of the Commonwealth and the rules and regulations of the Commission to happen, exist and be performed precedent to and in the issuance of this Note and the execution of the Indenture and this Supplemental Indenture No. 10 have happened, exist and have been performed as so required.

No recourse shall be had for the payment of the principal or redemption price of, or interest on, this Note, or for any claim based hereon or on the Indenture, against any member, director, officer or employee, past, present or future, of the Commission or of any successor body, as such, either directly or through the Commission or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise.

This Note shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Certificate of Authentication hereon shall have been signed by the Bond Registrar or its Agent.

IN WITNESS WHEREOF, the Commission has caused this Bond Anticipation Note to be executed in its name by the facsimile signatures of the Governor of the Commonwealth of Pennsylvania and the Chairman of the Commission and a facsimile of the official seal of the Commission to be affixed, imprinted, lithographed or reproduced hereon and attested by the manual or facsimile signature of its Secretary/Treasurer or Assistant Secretary/Assistant Treasurer.

Costs of the Project are also being financed with proceeds of the Commission's Series A Notes also being issued on the Series Issue Date and as further described in Supplemental Indenture No. 10.

An executed counterpart of the Indenture is on file at the office of the Commission and at the designated corporate trust offices of the Trustee and the Paying Agent. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bond Anticipation Notes, the collection and disposition of Revenues, the funds charged with and pledged to the payment of the interest on, the principal of and the premium, if any, on the Bond Anticipation Notes, the nature and extent of the security, the terms and conditions on which the Bond Anticipation Notes are issued, the rights, duties and obligations of the Commission and the Trustee and the rights of the owners of the Bond Anticipation Notes. Whenever the due date for payment of interest or principal of the Bond Anticipation Notes (as hereinafter defined) or the date fixed for redemption of any Notes shall be a Saturday, a Sunday, a legal holiday or a day on which the Trustee or the Paying Agent is authorized by law to close, then payment of such interest, principal or redemption price need not be made on such date, but may be made on the next succeeding day which is not a Saturday, a Sunday, a legal holiday, or a day on which the Trustee or the Paying Agent is authorized by law to close, with the same force and effect as if made on the due date for payment of principal, interest or redemption price, and no interest shall accrue thereon for any period after such due date. Principal of, premium, if any, and interest on this Note are payable only from moneys deposited or to be deposited under the Indenture, in such coin or currency of the United States of America as at the time and place of payment is legal tender for payment of public and private debts.

THE BOND ANTICIPATION NOTES ARE OBLIGATIONS OF THE COMMISSION AND SHALL NOT BE DEEMED TO BE DEBT OF THE COMMONWEALTH. THE BOND ANTICIPATION NOTES SHALL BE PAYABLE SOLELY FROM THE REVENUES (AS DEFINED IN THE INDENTURE) OF THE COMMISSION FOR THAT PURPOSE. THE FAITH AND CREDIT OF THE COMMONWEALTH ARE NOT PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR REDEMPTION PRICE HEREOF OR THE INTEREST HEREON AND THE COMMONWEALTH IS NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATED TO LEVY OR TO PLEDGE ANY FORM OF

The Indenture provides for the issuance, under the conditions, limitations and restrictions therein set forth, of Additional Bonds, Convertible Bonds and subordinate indebtedness (each as described in the Indenture) for the purposes set forth therein.

The Bond Anticipation Notes are equally and ratably secured, together with all other parity bonds and notes issued or to be issued pursuant to the Indenture and other parity indebtedness, by a pledge by the Commission of the Trust Estate (as defined in the Indenture), including the Revenues (as defined in the Indenture), which term currently includes, among other things, solely tolls from the Turnpike System's "Main Line" and the "Northeast Extension" and any other roads for which the Commission has operational responsibilities and is collecting tolls, but shall not include tolls from such other roads (other than the Main Line and the Northeast Extension) as are designated by the Commission as not being part of the Turnpike System for purposes of the Indenture. Any Additional Bonds issued under the Indenture, other than Convertible Bonds, will be equally and ratably secured under the Indenture with the Bond Anticipation Notes and all other Bonds issued and outstanding under the Indenture and other parity indebtedness. The Indenture provides the conditions, limitations and restrictions under which Convertible Bonds become equally and ratably secured under the Indenture with the Bond Anticipation Notes.

The Commission is required to fix and charge tolls for the use of the Pennsylvania Turnpike System and to adjust such tolls from time to time as may be necessary in order that such tolls and other Revenues will be sufficient to pay the cost of maintaining, repairing and operating the same, to pay the principal of and interest on the Bond Anticipation Notes and all other Bonds and Notes issued under the Indenture, and to create reserves for such purposes, all in the manner provided in the Indenture.

The Bond Anticipation Notes are issuable in the form of registered notes in denominations of \$5,000 each or any integral multiple thereof. Any partial redemption may be in any order of maturity and in any principal amount within a maturity as designated by the Commission.

The owner of this Note by the acceptance hereof specifically agrees that the Trustee shall be under no obligation to take any action with respect to any Event of Default occurring under the terms of this Note or the Indenture, other than to give notice of certain defaults as provided in the Indenture, unless requested so to do in writing by the owners of not less than ten percent (10%) in principal amount of the Notes then Outstanding under the Indenture and upon receipt of satisfactory indemnity as provided in the Indenture.

Upon the occurrence of an event of default, and on the conditions, in the manner and with the effect, set forth in the Indenture, the principal of all Notes then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture.
