WHEREAS, the Restated Indenture provides that it may be amended without the consent of the Bondholders through the execution of a Supplemental Indenture (as defined in the Restated Indenture) for purposes, among others, of issuing Additional Bonds (as defined in the Restated Indenture); and

WHEREAS, the Commission and PNC Bank, National Association, (the “Bank”) have entered into a Loan Agreement dated June 20, 2024 (the “Loan Agreement”) pursuant to which the Bank has agreed to make a loan in the form of a revolving line of credit facility to the Commission up to \$200,000,000 (the “Loan”) to be used for the purposes of funding or refinancing costs including general working capital needs of the Commission, funding/reimbursing necessary reserves and the payment of debt service on the Senior Indenture Bonds (the “Project”); and

WHEREAS, pursuant to the Loan Agreement, the Commission has executed and delivered to the Bank a Revolving Line of Credit Note in the principal amount of \$200,000,000 (the “Line of Credit Note”); and

2.03. Conforming Changes; Benchmark Replacement Provisions.

(a) The Bank shall have the right to make to the Loan Agreement or the Line of Credit Note any technical, administrative or operational changes from time to time that the Bank decides may be appropriate to reflect the adoption and implementation of SOFR or any other Benchmark (as defined below) or to permit the use and administration thereof by the Bank in a manner substantially consistent with market practice or in such other manner as the Bank decides is reasonably necessary. Notwithstanding anything to the contrary herein or in any other Loan Document, any amendments to the Loan Agreement or the Line of Credit Note implementing such technical, administrative or operational changes will become effective without any further action or consent of the Commission and such changes shall apply to the 2024 Note. The Bank shall provide notice to the Commission and the Trustee of each such amendment reasonably promptly after such amendment becomes effective.

(b) If the applicable interest rate under the Line of Credit Note is based on a Benchmark and the Bank determines (which determination shall be final and conclusive) that (A) such Benchmark cannot be determined pursuant to its definition other than as a result of a Benchmark Transition Event, or (B) any enactment, promulgation or adoption of or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by a governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Bank with any guideline, request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impracticable for the Bank to make or maintain or fund loans based on that Benchmark, then the Bank shall give notice thereof to the Commission and the Trustee. Thereafter, until the Bank notifies the Commission and the Trustee that the circumstances giving rise to such determination no longer exist, the interest rate on all amounts outstanding under the Line of Credit Note and the 2024 Note that otherwise would bear interest based on that Benchmark shall be equal to the Base Rate.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, if the Bank determines (which determination shall be final and conclusive) that a Benchmark Transition Event has occurred with respect to a Benchmark, the Bank may amend the Line of Credit Note to replace such Benchmark with a Benchmark Replacement (as defined below); and any such amendment shall be in writing, shall specify the date that the Benchmark Replacement is effective and will apply to the 2024 Note without further action or consent of the Commission. Until the Benchmark Replacement is effective, amounts bearing interest with reference to a Benchmark will continue to bear interest with reference to such Benchmark as long as such Benchmark is available, and otherwise such amounts automatically will bear interest at the Base Rate.

This 2024 Note is issued pursuant to, and constitutes an "Additional Bond," "Short-Term Indebtedness" and a "Parity Obligation" as each term is defined in the Amended and Restated Trust Indenture dated as of March 1, 2001 (the "**Restated Indenture**"), between the Commission and U.S. Bank Trust Company, National Association, Philadelphia, Pennsylvania, (successor in interest to U.S. Bank National Association), as trustee (the "**Trustee**"), and as further supplemented by a Supplemental Trust Indenture No. 75, dated as of June 1, 2024, between the

Commission and the Trustee (the “**Supplemental Indenture**,” and together with the Restated Indenture and all amendments and supplements thereto, the “**Indenture**”). The Commission also issued a revolving line of credit note (the “**Line of Credit Note**”) that evidences and secures the Commission’s obligations under the Loan Agreement, dated June, 20 2024 (the “**Loan Agreement**”) between the Commission and Lender. This 2024 Note serves as security for the Loan. Capitalized terms use herein which are not defined shall have the meanings set forth in the Loan Agreement and the Indenture, as applicable.

This 2024 Note is issued under and pursuant to an Act of the General Assembly of Pennsylvania approved on July 18, 2007, P. L. 169, No. 44 (“Act 44”) and various Acts of the General Assembly approved on several dates, including the Act of May 21, 1937, P. L. 774; the Act of May 24, 1945, P. L. 972; the Act of February 26, 1947, P. L. 17; the Act of May 23, 1951, P. L. 335; the Act of August 14, 1951, P. L. 1232; the Act of September 30, 1985, P. L. 240, No. 61 (“Act 61”), to the extent not repealed by Act 44, and the Act of November 25, 2013, P.L. 794, No. 89 (“Act 89”) (collectively, the “**Enabling Acts**”), under and pursuant to a resolution of the Commission and under and pursuant to the Indenture, for the purpose of financing the Project.

Interest shall be payable on principal amounts drawn and outstanding at the rates, and alternate rates, and in the manner provided in the Line of Credit Note. Interest will be calculated based on the actual number of days that principal is outstanding over a year of 360 as further described in the Line of Credit Note. The Commission shall repay any principal amounts advanced and outstanding on the Expiration Date. If any payment under this 2024 Note shall become due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day. All payments of principal and interest shall be made to Lender in lawful money of the United States of America by wire transfer of immediately available funds to such bank in the continental United States as Lender shall request in writing to the Trustee.

If any payment under the 2024 Note is due on a day of a calendar month for which there is no numerically corresponding day in certain other months (each, a “**Non-Conforming Month**”), then the payment in a Non-Conforming Month shall be due on the last day of such Non-Conforming Month. If any payment under the 2024 Note shall become due on a day other than a Business Day, such payment shall be due on the next succeeding Business Day, except that if such day falls in the next succeeding calendar month and such payment includes interest based on SOFR, such payment shall be due on the next preceding day that is a Business Day. Interest shall be computed to, but excluding, the date payment is due.

If the Commission fails to make any payment of principal, interest or other amount coming due pursuant to the provisions of this 2024 Note within fifteen (15) calendar days of the date due and payable, the Commission also shall pay to the Lender a late charge equal to the lesser of five percent (5%) of the amount of such payment or \$100.00 (the “**Late Charge**”). Such fifteen (15) day period shall not be construed in any way to extend the due date of any such payment. After the occurrence of an Event of Default, and so long as such Event of Default is continuing, upon notice given to the Commission by Lender, amounts outstanding under this 2024 Note shall bear interest at a rate per annum (based on the actual number of days that principal is outstanding over a year of 360 days) which shall be three percentage points (3%) in excess of the Base Rate (as such term is defined in the Line of Credit Note) but not more than the Maximum Rate (as such term is

defined in the Line of Credit Note) (the “**Default Rate**”). The Default Rate shall continue to apply whether or not judgment shall be entered on this 2024 Note.

This 2024 Note evidences a revolving line of credit. Advances under this 2024 Note shall be requested in the manner as provided in the 2024 Line of Credit Note. Presentation of this 2024 Note is not required to receive principal payments on this 2024 Note.

Any moneys paid by the Commission hereunder shall also be credited as a payment received on the Line of Credit Note. Under no circumstances, shall the Commission be liable to make the same payment under this 2024 Note and under the Line of Credit Note.

Upon the occurrence of an Event of Default, and on the conditions, in the manner and with the effect, set forth in the Indenture, the principal of all Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made by the Commission and the Trustee only to the extent and in the circumstances permitted by the Indenture.
