

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit [www.highmarkblueshield.com](http://www.highmarkblueshield.com) or call 1-866-727-4935. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0 individual/\$0 family <u>network</u> . \$400 individual/\$800 family out-of- <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Emergency room services and <u>emergency medical transportation</u> benefits are covered before you meet your <u>out-of-network deductible</u> .  <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>out-of-network deductible</u> .	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$0 individual/\$0 family <u>network</u> . \$1,500 individual/\$3,000 family out-of- <u>network</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. In addition to this amount, you may be subject to balance billing from the out-of-network provider. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Network</u> : <u>Premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover do not apply to your total maximum out-of-pocket.  <u>Out-of-network</u> : <u>Copayments</u> , <u>deductibles</u> , <u>premiums</u> , balance-billed charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. For a list of <u>network providers</u> , visit <a href="http://www.highmarkblueshield.com">www.highmarkblueshield.com</a> or call 1-866-727-4935.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).  Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your overall **deductible** has been met, if a **deductible** applies.
