## How to use this schedule

1. Select the page corresponding to your entry location.
2. Locate your destination exit in the left-hand column of the grid.
3. Scan right along the row to find your class of vehicle.  
Your Toll Rate will be within the box that corresponds to your Vehicle Class.
4. When no toll is displayed, then your selected exit is not valid from that location.

When using the Pennsylvania Turnpike and Turnpike Extensions, your toll may be based on number of axles, vehicle weight, or both. See the guide below for Vehicle Class information. Vehicles are also classified by axle and low/high profile at a few select locations, and a separate classification grid is available on the pages for those locations.
