TOLL CALCULATION GUIDE
I-70/276 AND I-476

Understanding the PA Turnpike's 2026 Toll Rates

Effective January 4, 2026, a toll increase will occur in accordance with our Act 44 plan for toll rates along the PA Turnpike. The increase of four percent is the lowest rate increase since 2014 and will be used entirely to repay Act 44 debt service.

On the mainline Pennsylvania Turnpike, Interstate 70, 76 and 276 and on the Northeast Extension (Interstate 476), where tolls are calculated per segment and distance traveled, the Act 44 increase moves the per-mile rate from \$.07 to \$.073 and the segment fee from \$1.09 to \$1.13. On all other extensions, where the tolling infrastructure doesn't support a per-segment and distance traveled rate, the Act 44 increase will be a straight four percent increase to existing trips. Toll rates round up to the nearest penny. The Pennsylvania Turnpike Commissioners approved the toll rate at the July 1, 2025 meeting.

PA Turnpike Toll Rate Increases Are a Direct Result of Act 44

Since the legislation passed in 2007, tolls on the PA Turnpike have increased as a direct result of Act 44. In lieu of raising taxes for transportation, Act 44 of 2007, which was amended by Act 89 in 2013, obligated the Commission to assist in funding statewide ground transportation beyond PA Turnpike operations.

Since 2008, we have provided more than \$8 billion to the Commonwealth for this purpose. Act 44 debt service drives the annual toll increases. Prior to Act 44, the Turnpike only raised tolls five times in 64 years.

PA Turnpike Toll Rates Remain Competitive

Despite the imposed debt of Act 44, the PA Turnpike maintains toll rates that are middle of the pack as compared to other U.S. toll roads, bridges and tunnels. We have also been able to maintain the same toll increase schedule since the initial Act 44 repayment plan was enacted.

The PA Turnpike Has Flexible Payment Options

We strive to provide customers with the best service and value, and all drivers can save 50 percent on tolls with E-ZPass, the most cost-effective way to travel the PA Turnpike. More than 85 percent of our customers recognize E-ZPass' value and use it to travel our roadway.

We are also committed to evolving with our customers' needs. We offer more ways to pay, including expanded, convenient payment options with Google and Apple Pay. Cash payment for Toll By Plate invoices or E-ZPass account fund additions is accepted through KUBRA, a nationwide network of more than 75,000 retail locations.

The PA Turnpike Provides Maximum Value to Customers

We are committed to providing customers with the best value for their toll dollars. This includes:

- 24/7 Roadside assistance for safety, efficiency and customer support
- Dedicated maintenance force for safety and reliability
- 17 Service plazas for safety and convenience
- Dedicated State Police Troop for safety and customer assistance

System Overview Map

OPEN ROAD TOLLING

Open Road Tolling is the culmination of the PA Turnpike's decade-long journey to modernize operations on our 560+ miles of roadway. In the ORT system, tolls are charged electronically as customers drive at highway speeds beneath overhead structures, called gantries, without slowing down or stopping at toll booths. Equipment on the gantry and in the roadway classifies and identifies the vehicle and electronically processes tolls, allowing for free-flowing traffic, which reduces accidents, improves the environment, and allows new access points.

ORT launched on the mainline PA Turnpike east of Reading and the Northeast Extension on Jan. 5, 2025. It will launch west of Reading in January 2027. In areas where gantries are not yet operational, tolls will still be assessed as an interchange-to-interchange trip under the new rate structure.

PA Turnpike E-ZPass Rates

USING THE TOLL CALCULATOR GUIDE TO DETERMINE YOUR TOLL RATE

Identify Your Roadway and Vehicle Class:

- Find the roadway you will be using from the lists below.
- Use chart located below the name of the roadway you are using to determine your vehicle class.
- The PA Turnpike uses two different classification systems.

Locate Your Entry Point:

- Go to Page 4 for the index listing all roadways and access points.
- Find the page in the guide designated for your entry location and go to that page.
- The name of your entry location will be above the top left-hand corner of the table.

Locate Your Exit Destination:

- Find the name and number of your exit destination in the first two columns of the table.

Determine Your Toll Rate:

- Scan the top row of the table to locate your vehicle class.
- Scan down that column until you reach the row of your exit destination.
- Your total toll rate will be in the box corresponding to your vehicle class and exit location.

For Detailed Toll Information:

- Visit <https://www.paturnpike.com/toll-calculator> to use the toll calculator tool for a breakdown of the individual tolls that compile your total toll rate.

Roadway & Tolls Points

Gateway Barrier T2 (Ohio Border)

Delaware River Bridge H43 ORT (New Jersey border)

Toll 376, Beaver Valley Expressway

Turnpike 66, Amos K. Hutchinson Bypass

Turnpike 43, Mon/Fayette Expressway

AXLE-BASED VEHICLE CLASSIFICATION	
Class 1	2 Axle Vehicles
Class 2	3 Axle Vehicles
Class 3	4 Axle Vehicles
Class 4	5 Axle Vehicles
Class 5	6+ Axle Vehicles

Please Note:

If your trip includes eastbound travel from Gateway (Ohio Border) to any exit east of #29 Cranberry, you will pass through two different classification systems. The toll at Gateway will be based on the axle classification system, while any toll incurred east of #29 Cranberry will be based on the axle-height classification system.

See map on Page 7.

If your trip includes westbound travel from Delaware River Bridge H43 (New Jersey Border) to any exit west of Delaware River Bridge, you will pass through two different classification systems. The toll at Delaware River Bridge will be based on the axle classification system, while any toll incurred west of Delaware River Bridge will be based on the axle-height classification system.

See map on Page 42.
