

Delaware River Bridge Project

PA Turnpike/I-95 Interchange Project – Stage 3

YOU'RE INVITED TO ATTEND A PUBLIC MEETING OPEN HOUSE

On behalf of the Pennsylvania Turnpike Commission (PA Turnpike) and the New Jersey Turnpike Authority (NJTA), you are invited to upcoming Public Meeting Open Houses for the Delaware River Bridge (DRB) Project. Two in-person public meeting open houses are scheduled, along with a virtual public meeting option. The same information will be shared at all meetings. Review materials and provide feedback on the project website anytime from March 12 through April 12. The public is welcome to attend the in-person open houses anytime as there will be no formal presentations.

Your Input Matters

Attend a meeting to hear about:

- Ongoing environmental work
- The alternatives analysis and preliminary engineering processes
- The Supplemental Environmental Impact Statement (SEIS) process
- Public survey responses
- Future public involvement opportunities
- How to provide feedback

About the Project

Improving the DRB crossing is one of the final stages of the PA Turnpike/I-95 Interchange Project to advance through the design process. With just two travel lanes in each direction, rehabilitating or replacing the 70-year-old bridge is critical to easing congestion by adding capacity to connect with the planned three lanes on the PA Turnpike to the west and New Jersey Turnpike to the east.

The public meeting open house locations are accessible to individuals with disabilities. Individuals who require special accommodations under the Americans with Disabilities Act, or who require translation services, are requested to contact John Boyer at delawareriverbridgenews@kci.com. Please send your request five days before the meeting you plan to attend.
