Construction Activity Weekly Updates

Planned Construction Activities for the Week of January 26, 2026

- **Bridge 404/405 over Coal Valley** – Majority of work is completed.
- **Toll Facility** – Toll facility building interior finish HVAC and electrical work.
- **Jefferson Boulevard** – Traffic is in a temporary configuration until the PTC 43 northbound off ramp is reopened. The Payne Hill Road entrance is open.

4. Noise/Dust/Runoff Control

- Erosion control measures are installed and will be modified as construction advances. The erosion controls will be maintained as necessary and removed when no longer needed.
- Permanent ditches take runoff water to storm water basins.
- Stormwater basins are converted to receive water run off from roadways and slowly releases water into the natural waterways.

5. Trespassing on Construction Site

- The construction being performed in this area is a Limited Access Right-of-Way owned by the Pennsylvania Turnpike Commission. The construction areas are posted with No Trespassing/Private Property signs. **No pedestrians, ATVs or motorcycles should be entering the area.**
- Violators may be prosecuted under Section 3503(b)(1)(ii) which forbids criminal trespass.
