

MON/FAYETTE EXPRESSWAY

Construction Activity Weekly Updates

Planned Construction Activities for the Week of June 10, 2024

SECTION 53A1 • JEFFERSON HILLS BOROUGH, ALLEGHENY COUNTY

Contractor: Trumbull Corporation

1. Work Shift

- The standard work shift is 6:30 AM to 4:30 PM, Monday to Thursday. Friday and Saturday shifts will be used as needed.

2. Traffic

- **Coal Valley Road** is open to public traffic. There is still major construction ongoing in this area. Coal Valley Road will be closed again in the future for bridge steel erection.
- **SR 885 Clariton Road** - Roadway is open. Temporary runaround being removed. There still will be construction traffic and deliveries in this area.
- **PTC 43/Jefferson Boulevard** - Drivers traveling to Southbound PA Turnpike 43 will experience a lane shift at the ramp on Jefferson Boulevard. All traffic has been shifted to the northbound ramp. Once over the bridge, SB traffic on the ramp will cross back over to southbound side. Drivers traveling southbound from southbound SR 51 flyover ramp **need to stop** at the end of the ramp before moving onto Jefferson Boulevard. Please monitor speed through this construction area.
- **Jefferson Boulevard/Rt 51** – Traffic shifts will occur for phased reconstruction of Jefferson Boulevard.
- **Brickyard Road** will have traffic restrictions during working hours. No left turns are currently permitted from existing Brickyard Road onto SR 51.

3. Earthwork

- Blasting for mass excavation will continue through December 2025. Between Jefferson Boulevard and SR 885 and between Coal Valley and New England Roads. For all blasts, 5 minutes prior to blasting the contractor will give 3 horn alerts of 15 seconds each. 1 minute prior to blasting, 3 horn alerts of 10 seconds will be sounded. 30 seconds prior to blasting, a series of short horn alerts will be sounded up to the time of detonation. After the blast, the area will be checked, and a horn will be sounded for 15 seconds to indicate that “all is clear”.
- Bulk excavations continue with material being transported via large off road trucks.
- Mine cut-off wall construction underway.

Drilling for blasting operation
