Construction Activity Weekly Updates

Planned Construction Activities for the Week of June 29, 2026

4. Noise/Dust/Runoff Control

- Erosion control measures are installed and will be removed as growth stabilizes slopes.
- Permanent ditches take runoff water to storm water basins.
- Stormwater basins converted to receive water run off from roadways and slowly releases water into the natural waterways.

5. Trespassing on Construction Site

- The construction being performed in this area is a Limited Access Right-of-Way owned by the Pennsylvania Turnpike Commission. The construction areas are posted with No Trespassing/Private Property signs. **No pedestrians, ATVs or motorcycles should be entering the area.**
- Violators may be prosecuted under Section 3503(b)(1)(ii) which forbids criminal trespass.
