## Construction Activity Weekly Updates

Planned Construction Activities for the Week of February 23, 2026

## SECTION 53A2 • WEST MIFFLIN, ALLEGHENY COUNTY

Contractor: Trumbull Corporation

### 1. Work Shift

- The standard work shift is 7:00 AM to 5:00 PM, Monday to Thursday. Friday and Saturday shifts will be used as needed. Weather will affect and limit work activities.

### 2. Traffic

- **New England Road** – **New England Road is open.** May be daylight lane closures with flaggers and alternating traffic.
- **Lower Camp Hollow** – **Lower Camp Hollow is open.** May be daylight lane closures with flaggers and alternating traffic.
- **Upper Camp Hollow** – Northbound and southbound traffic are in the new roadway alignment. Access to Lebanon School Road is open. Access to Lebanon Manor is via Beverly Drive.

Bridges over New England Road - bridge deck construction.

### 3. Roadway and Bridge Work

- **Upper Camp Hollow new alignment** – roadway work is completed. Excavating for new roadway and hauling under Camp Hollow Bridge. Mass excavation is almost complete.
- Lebanon Church Road/Camp Hollow intersection work will be during the 2026 season. Utility work in area continues.
- Old Camp Hollow roadway near Lebanon Manor open for local traffic. Final paving will be in 2026.
- **Very limited blasting remains in the area of the Old Camp Hollow Road near roundabouts when rock is encountered.** For all blasts, 5 minutes prior to blasting the contractor will give 3 horn alerts of 15 seconds each. 1 minute prior to blasting- 3 horn alerts of 10 seconds will be sounded. 30 seconds prior to blasting, a series of short horn alerts will be sounded up to the time of detonation. After the blast, the area will be checked, and a horn will be sounded for 15 seconds to indicate that “all is clear”.

Throughout these weekly updates, you have seen construction progress along the Pennsylvania Turnpike Commission's Mon/Fayette Expressway in Allegheny County. We would now like you to come along for an exclusive ride as we show you an aerial progress report of the first two construction sections being built in West Mifflin and Jefferson Boroughs.

- Grading, embankment work and drainage pipe installations are underway with dozers, excavators and off road trucks. Drilling and blasting in the area of Curry Hollow.
- **Bridge 406/407 over New England Road** – Bridge deck rebar placement occurring on MF-407. Stay in place forms and overhangs being installed on MF-406.
- **Bridge 408/409 over Lower Camp Hollow** – Stay in place forms and overhangs.
- **Bridge 410 – New Upper Camp Hollow (SR 2043) over 43** – Bridge is complete and in use. Placing articulated rock slope protection at abutments
- **Soundwall NSA-36** – along 2043-43S Ramp – Precast panel delivery and erection between posts completed. Staining will occur later.

Bridges over New England Road - construction progress.

#### 4. Noise/Dust/Runoff Control

- Erosion control measures are installed and will be modified as construction advances. The erosion controls will be maintained as necessary.
- Topsoil is being placed, matted and seeded as areas are completed. Currently on hold.
- Diversion ditches have been constructed to take runoff water to sediment basins.
- Sediment basins hold water for settlement and slow dispersion.
- A street sweeper is on-site and will be used clean local roadways when needed.
- Water trucks are on-site and will be utilized to control dust when needed.

#### 5. Trespassing on Construction Site

- The construction being performed in this area is a Limited Access Right-of-Way owned by the Pennsylvania Turnpike Commission. The construction areas are posted with No Trespassing/Private Property signs. **No pedestrians, ATVs or motorcycles should be entering the area.**
- Violators may be prosecuted under Section 3503(b)(1)(ii) which forbids criminal trespass.
