

MON/FAYETTE EXPRESSWAY

Construction Activity Weekly Updates

Planned Construction Activities for the Week of August 24, 2026

SECTION 53B1A

WEST MIFFLIN/DRAVOSBURG, ALLEGHENY COUNTY

Contractor: Trumbull Corporation

1. Work Shift

- The standard work shift is 6:00 AM to 5:00 PM, Monday to Thursday. Friday and Saturday shifts will be used as needed.

2. Traffic

- **Camp Hollow Road** – Construction traffic will enter and exit Camp Hollow Road near the new roundabouts.
- **Curry Hollow Road** – Some deliveries and construction traffic will be via Curry Hollow Road near the WMSSA Pump Station.
- **Pitt McKeesport Boulevard / Richland Avenue** – Construction traffic will enter and exit construction site at existing entrance on Pitt McKeesport Boulevard. Traffic shifting will be occurring in preparation for long term construction stages.

3. Roadway and Bridge Work

- Sediment basin construction is ongoing.
- **Bridges 411A/B** – Pier foundations, Abutment 2 drilled shafts, shoring for pier excavations.
- **Bridge 413D** – Abut 2 drilled shafts complete, Abut 1 driven piles, Pier columns completed.
- **Bridge 412** – Union Railroad completed track protection under bridge.
- Excavating soil material to embankment areas. Rock blasting to start later.
- Constructing toe keys to support embankments.
- Diverting water around the old Sandy Lake Area.

4. Noise/Dust/Runoff Control

- Erosion control measures are installed and will be modified as construction advances. The erosion controls will be maintained as necessary.
- Diversion ditches have been constructed to take runoff water to sediment basins.

Interchange connector bridge - construction progress.

NEW DRONE VIDEO

Throughout these weekly updates, you have seen construction progress along the Pennsylvania Turnpike Commission's Mon/Fayette Expressway in Allegheny County. We would now like you to come along for an exclusive ride as we show you an aerial progress report of the first three construction sections being built.
