

PUBLIC NOTICE OF BLASTING

Mon-Fayette Expressway

PA 51 to I-376

Trumbull Corporation will start blasting operations on the Mon-Fayette Expressway PA 51 to I-376 Project, Section 53A1 beginning on or around **July 17, 2023**.

Trumbull Corporation has safely and successfully employed blasting techniques on many projects in the region. We look forward to safely completing this operation as well. The warning procedure is as follows:

SCHEDULE

- 5 minutes prior to blasting 3 horn alerts of 15 seconds each will be sounded.
- Blasting operations will be on going within the project limits between July 2023 and December 2025.
- Blasting operations will occur between 7AM and 6PM, Monday through Saturday.

ALERT SYSTEM

- 5 minutes prior to blasting, 3 horn alerts of 15 seconds each will be sounded.
- 1 minute prior to blasting, 3 horn alerts of 10 seconds each will be sounded.
- 30 seconds prior to blasting, a series of short horn alerts will be sounded up to the time of detonation.
- After the blast, the area will be checked, and a horn will be sounded for 15 seconds to indicate that “all is clear.”

*A siren may be substituted for horns in the above warning procedure.
