**Portion of New England Road in West Mifflin Borough, Allegheny County to Close**  
*Extended closure needed for construction work related to the Mon/Fayette Expressway Project.*

The Pennsylvania Turnpike Commission wants to alert motorists that a portion of New England Road in West Mifflin Borough, Allegheny County will be closed for more than two months beginning July 14.

New England Road will be closed between Camp Hollow Road and State Route 837 so crews can erect steel girders for the new Mon/Fayette Expressway bridge that will be over New England Road. Heavy equipment and oversized loads will be impacting the roadway consistently.

Detour signs will be posted utilizing State Route 837, State Route 885 and the upper portion of New England Road. Local traffic will be permitted to enter the closed area, but will not be able to cross the construction zone.

The roadway is expected to reopen by the end of September weather permitting.

This traffic impact is part of the Mon/Fayette Expressway Project. For more information about the project, please visit: <https://www.patpconstruction.com/monfaysb/default.aspx>.
