**Lane Restrictions Planned on Richland Avenue in Dravosburg, Allegheny County**  
*Restrictions needed for traffic signal work as part of Mon/Fayette Expressway Project.*

The Pennsylvania Turnpike Commission wants to alert motorists traveling on Richland Avenue in Dravosburg, Allegheny County that lane restrictions may be in place between the Hickory Alley and Beech Alley intersections starting March 20.

The restrictions would take place between 7 a.m. and 3 p.m. Monday through Friday, weather permitting.

Lane restrictions are needed for the installation of poles and anchors that will eventually secure the temporary traffic signal being installed on Richland Avenue.

The temporary signal is expected to be in place by the end of May.

A permanent traffic signal will be installed as part of the ongoing construction of the southern section of the Mon/Fayette Expressway PA Route 51 to I-376 Project. For more information about the entire project visit [www.paturndpike.com/monfayette](http://www.paturndpike.com/monfayette).
