

## **Preliminary Design**

### **Study Phase**

**Preliminary Engineering/ Environmental Assessment/ Design Field View** 

**Public Meetings** 

**Public Hearing\*\*** 

\* Due to COVID Pandemic

\*\* Working through the EA process has added significant layers of review and approvals by outside agencies that are required prior to the public hearing. We continue to work through the process and plan to have the public hearing as soon as we achieve these approvals.

## **Next Steps**

Final Design

Construction
