## **Overnight lane restrictions planned on State Route 79 in Washington County**

*Restrictions needed to install guiderail as part of Southern Beltway Project.*

The Pennsylvania Turnpike Commission wants to alert motorists that the lane restrictions on State Route 79 northbound may be in place near the Southpoint Interchange in North Strabane Township, Washington County.

A single-lane closure could be in effect between 10 p.m. and 6 a.m. from May 17 to June 25, weather permitting. This traffic restriction will allow crews to safely install guiderail.

This traffic impact is part of the Southern Beltway Project. For more information, please visit: [https://www.patpconstruction.com/southern\\_beltway/22to79/news.aspx](https://www.patpconstruction.com/southern_beltway/22to79/news.aspx)
