Lane Restrictions on PA Turnpike 576 in Findlay Township, Allegheny County

Restrictions needed to install pavement markings as part of Southern Beltway Project.

The Pennsylvania Turnpike Commission wants to alert motorists that lane restrictions on PA Turnpike 576 (Findlay Connector) westbound may be in place between mileposts 5 and 4 in Findlay Township, Allegheny County.

A single-lane closure could be in effect between 7 a.m. and 5 p.m. from June 25 to July 2, weather permitting. This traffic restriction will allow crews to safely install pavement markings.

This traffic impact is part of the Southern Beltway Project. For more information, please visit: https://www.patpconstruction.com/southern_beltway/22to79/default.aspx.
