## **Temporary Detour of Southpointe Boulevard in Cecil Twp., Washington County**

*Detour needed at I-79 interchange for PA Turnpike Southern Beltway work.*

The Pennsylvania Turnpike Commission wants to alert motorists that a series of temporary overnight closures of Southpointe Boulevard in Cecil Twp., Washington County will be needed as part of the construction of the Southern Beltway. The closures will occur nightly from Aug. 3 through Aug. 13.

Each night starting at 8 p.m., crews will close all lanes of traffic on Southpointe Boulevard between the interchange ramps that connect with I-79 and will reopen all lanes by 6 a.m. the following morning.

Traffic needing to cross under I-79 on Southpointe Boulevard will be detoured around the work zone. Northbound traffic will be detoured onto I-79 at Bridgeville while southbound traffic will be detoured onto I-79 at Canonsburg.

During these overnight closures, concrete beams will be placed for the widening of the southbound bridge to prepare for placement of the new concrete deck.

This traffic impact is needed to keep motorists and workers safe as work continues in the Southern Beltway's 55C2-1 construction section. For more information about the project, please visit: [https://www.patpconstruction.com/southern\\_beltway/22to79/](https://www.patpconstruction.com/southern_beltway/22to79/).
