Lane Restrictions Planned on PA Turnpike 576/Southern Beltway

Restrictions needed in Allegheny and Washington counties for pavement marking testing.

The Pennsylvania Turnpike Commission wants to alert motorists that lane restrictions on PA Turnpike 576 may be in place both eastbound and westbound between Exit #4 (Westport Road) and Exit #18 (I-79) in Allegheny and Washington counties overnight, Nov. 16.

The single-lane restrictions are expected to begin at 8 p.m. on Nov. 16 and last until 6 a.m. on Nov. 17, weather permitting. This traffic restriction will allow crews to safely perform pavement marking testing.

This traffic impact is part of the Southern Beltway Project. For more information about the project, please visit:
