## **Restrictions Planned at PA Turnpike 576 and S.R. 22 Interchange in Washington County**

*Crews to install signage and pavement markings as part of Southern Beltway Project.*

The Pennsylvania Turnpike Commission (PTC) wants to alert motorists that shoulder and intermittent lane restrictions may be in place on PA Turnpike 576 (Southern Beltway) at the State Route 22 interchange in Washington County starting June 27.

Lane restrictions could be in effect between 7 a.m. and 5 p.m. until July 8, weather permitting. No work will occur over the holiday weekend between July 2 and July 4.

This traffic restriction will allow crews to safely perform signage and pavement marking installation.

This traffic impact is part of the PTC's Southern Beltway Project. For more information, please visit: [Southern Beltway \(paturnpike.com\)](http://paturnpike.com).
