**Lane Restrictions Planned on S.R. 376 in Findlay Twp., Allegheny County**  
*Restrictions needed to install overhead signs as part of the PA Turnpike's Southern Beltway Project.*

The Pennsylvania Turnpike Commission (PTC) wants to alert motorists traveling westbound on State Route 376 that lane restrictions may be in place at the Exit 53 ramp leading to Pittsburgh International Airport in Findlay Township, Allegheny County.

These restrictions could be in effect between 9 a.m. to 3 p.m. from June 27 to July 8, weather permitting. No work will occur during the holiday weekend between July 1 through July 4.

This traffic restriction will allow crews to safely install overhead signs.

This traffic impact is part of the PTC's Southern Beltway Project. For more information, please visit: [Southern Beltway \(paturndpike.com\)](http://paturndpike.com).
